Certificate in Business Analysis

Prepare to become a business analyst or apply business analysis in your profession with this ONLINE university certificate program, and get ready to pass the International Institute of Business Analysis (IIBA) ECBA certification exam.

Learn the tools and techniques of Business Analysis ONLINE

Program description: Prepare to make a difference in the business world and transform your career with the potential of business analysis. Business analysis is one of Canada's top in-demand jobs in a growing profession. Today's business analyst enables change in businesses and organizations, by defining needs and recommending solutions that deliver value to stakeholders.

Skills and Competencies: Learn to identify business needs and facilitate effective solutions using the tools and techniques of business analysis, defined in the latest version of the Guide to the Business Analysis Book of Knowledge® (BABOK Guide®) as your textbook, and experienced business analysts to guide you. Emerge with valuable technical and soft skills, moving closer to coveted IIBA designation.

Program Length: 18 months to 5 years, part-time.

Delivery: Online

Fees: $3,870 for required courses, plus electives and $100 non-refundable application fee. Each course: $350 to $710

Pricing subject to change without notice

Credential: Earn a University of Manitoba Certificate in Business Analysis.

Prepare for certification: Use your UM Certificate in Business Analysis courses as Professional Development (PD) hours to prepare you and to qualify to write the IIBA Entry Certificate in Business Analysis (ECBA) certification exam with this comprehensive online program.
