Students Targeting Aging Research

University of Manitoba students, you are invited to join us for our June Students Targeting Aging Research (STAR) meeting.

Thursday, June 24, 2021 | 3–4 pm
Meeting via Zoom. RSVP for Zoom meeting information:
star@umanitoba.ca

Experiences of ageism

Our invited speaker, Doreen Wuckert, a highly accomplished marriage commissioner, author, translator, fitness instructor, community volunteer and retired French immersion teacher will be sharing stories about her experiences.
