

University of Manitoba Security Services Monthly February 2022

SAFETY INITIATIVES

University of Manitoba Security Services provides a variety of programs and services that help make our community safer and more enjoyable for students, staff and visitors. We have implemented many safety initiatives in an effort to better improve safety and security on campus. Many of these initiatives have been spearheaded by the department while others have been made in consultation with many student groups and departments on campus, such as Environmental Health and Safety.

Security Services is continuously assessing the current safety initiatives and examining future plans in an effort to provide the highest quality of safety and security on campus.

Sexual Violence Awareness Week from February 7-11, 2022

On February 9th & 10th Security Services took part in the UMSU's Virtual Healthy Sexuality Expo. We participated by answering questions for those looking for more information about the resources available to community members.

- UM Safe App
- Emergency Phones
 - Safe Walk
 - Safe Ride
- RAD (Rape Aggression Defense) self-defense

For more information, follow UMSU's Instagram account or Facebook page

UM SAFE APP

UM Safe is an essential tool that sends safety alerts and provides instant access to campus safety resources. The app includes features such as “Work Alone”, “FriendWalk”, as well as a Mobile BlueLight feature similar to the stationary emergency code blue poles on our campuses.

Some of the app features involve interaction with Security Services, and some will be optional — while other features have no interaction with Security Services.

Used by hundreds of higher education institutions and millions of students around the globe, the app was developed by App Armor and is custom branded for the U of M.

The free mobile safety app for students, staff, and faculty is available for iPhone (istore) and Android (Play Store) devices.

The Mobile BlueLight button will only contact Security Services when the person is within the campus Safe Walk boundaries. If outside of the Safe Walk boundaries, the Mobile BlueLight notification will go to 911.

For additional information please go to the link below:

CAMPUS SECURITY STATISTICS JANUARY 2022

SUSPICIOUS

It is important to Security Services that the university community is comfortable and feels safe when spending time on campus. Security Services responds to reports of suspicious people and vehicles on campus.

Responded to 25 suspicious calls.

Safe Walk /Safe Ride

Safe Walk and Safe Ride is a free service in which Security Services staff will meet you and walk you or give a ride to/from your car, your class, your residence room, or a bus stop. If you don't feel comfortable walking on campus, Security Services would be happy to assist you. Safe Walks 46 completed. Safe Rides suspended due to COVID 19.

Medical Emergencies

Security Services responds to all medical emergencies on campus. Sometimes Security Services staff are the first to respond to an emergency, other times they play a key role in guiding the emergency responders to the correct building and room. Responded to 5 medical emergencies.

Access

Every day Security Services helps students and staff that want to gain access into buildings or rooms.

201 Unscheduled access requests.

Alarms

Security Services responds to all safety and security alarms on campus for example: Fire, Code Blue, Elevator, Emergency Phones, Panic Alarms.

Responded to 129 alarms.
