The University of Manitoba is pleased to be hosting the 2017 W3 Conference in Winnipeg, Manitoba. The W3 Conference provides a unique opportunity for professional development, collaboration and networking amongst your colleagues from the western Canadian universities.

This year’s conference has an agenda packed full of interesting and relevant topics!

The special events planned for the conference attendees are sure to be unique experiences for all! Our events include:

- A tour of the Canadian Museum for Human Rights – Canada’s first museum dedicated to the evolution, celebrate and future of human rights
- A welcome reception featuring local fare and a few other surprises!
- An adventure through Winnipeg’s multiple national award-winning Journey to Churchill exhibit, where attendees will get up close and personal with wildlife from the Canadian Arctic!
- A multi-course dinner experience under the aurora borealis, where our guests will learn about climate change in the Arctic from the University of Manitoba’s own Dr. Gary Stern, Associate Director of the Centre for Earth Observation Science and one of Canada’s leading experts in Arctic climatology
- An optional morning wellness run and walk with a fitness professional along our gorgeous Red and Assiniboine Rivers

And did we mention our door prizes and giveaways?

This year’s conference is one you don’t want to miss! Register for the 2017 W3 Conference today before it’s too late!! We look forward to seeing you in Winnipeg!
