Instructions for Completing the Department Deposit Report

Deposit Information:

Provide a description of the purpose of the deposit including reference numbers or student information if applicable. Ensure that the nature of the business transaction is clearly described.

For payment of an external invoice (issued in FAST AR), indicate the invoice number and amount to be applied to the invoice.

Reminder: invoice payments are applied to the customer's account, not the department FOAP. Customer accounts may be viewed using the Reporting menu in FAST AR.

Note: If a reason of the payment is unknown, it should immediately be forwarded to Financial Services, RCGA, 315 Administration Bldg.

Deposit Details: Specify the payment details (cheque or cash*).

FOAP Distribution of Miscellaneous Items:

Enter the appropriate FOAPs for allocation of the miscellaneous revenue, keeping the following in mind:

- FOAPs should be checked for completeness and accuracy to ensure the timely processing of deposits.
- Expense accounts should not be used for deposits. Call Budget Accountant, RCGA or Travel Services for more information.
- Revenue accounts use program code 0000.
- Revenue account codes type 5D - Internal Sales and Service Income cannot be used on Department Deposit Report.
- Use accounts that best describe the business transaction; accounts such 524500 "Other Income" or 580007 "Miscellaneous Income" should not be used.
- Ensure that Sales Taxes are assessed, charged, collected and remitted on revenue.
- GST, PST and HST fields are mandatory on the Department Deposit Report. If a tax not applicable, please enter 0.00.

External Invoice Payments:

- A FOAP is not required.
- Invoice payments entered on-line in the "Payment Information" section will automatically update this section as well. If the form is manually completed, simply re-enter the invoice number and payment amount.

Deposit Totals

The "deposit total" appears in three places on the form and all three amounts should agree. If the form is completed on-line, the "Deposit Total" fields are automatically calculated for you.

Depositor Information: Contact information for the person making the deposit is required in case additional information is necessary, such as verification of an invalid FOAP. Deposit forms must be signed and dated.

The cashier will provide the depositor with a signed copy of the deposit form and a copy of the receipt if requested.

*Please note that any deposits containing cash must be brought in person to either cash office location with a completed Department Deposit form. Cash should never be sent through interoffice mail.
