

INSTRUCTIONS FOR PROCESSING AN AMENDMENT TO AN INDEPENDENT CONTRACTOR AGREEMENT

Criteria for processing an Amendment:

- An Amendment must be processed PRIOR to the end date of the existing Agreement. If past the original end date of the contract, a new contract must be established.
- An Amendment cannot be used to extend or “roll over” a contract. In other words, the work stipulated in the contract must be complete by the end date of the existing contract. If you wish to retain the services of the contractor for an additional year (for example), a new contract must be established. End dates may be extended in some circumstances, ie where additional work has been assigned and more time is needed to complete the project. In most cases the dollar value of the contract will change as well.
- Every contract or amendment to a contract must have “consideration”. Consideration may be defined as “the price each side pays for the other side’s promise.” The rules of legal consideration require that for every new promise or forbearance, there must be new consideration to support it. Therefore, if an Amendment is for additional work, the new consideration should be for additional money, less work in consideration for less money. If the only change is an extension of time, by mutual agreement, then a new Schedule A and Schedule D must accompany the Contract Amendment form.

Process for completing an Amendment:

- 1.) Complete a Contract Amendment form (CAF) for Amendments. All areas must be completed in full, but only answer the questions that are applicable for your particular amendment. Note: the dollar amount is the original amount PLUS the amount being added.
- 2.) Complete a Schedule D (Amending Agreement). Stroke out the statements that are not applicable. The date must be prior to the end date of the original contract.
- 3.) Complete any required Schedules. ***The Schedules that you are producing REPLACE the original Schedules in the contract.** Therefore, all original information must be re-stated on the new Schedule, plus the new information. The dollar amount will be the new TOTAL amount (original amount plus new amount). Keep the rules of “consideration” in mind when completing the Schedules. In almost all cases, you will need to complete a Schedule A and B, unless you are only changing the end date. If you did not keep a copy of the original contract for reference, please contact Purchasing Services and we will forward you a copy.
- 4.) Once your first draft is complete, you may fax or email to Purchasing Services, for review. Please call our Customer Service line at 204-474-8348 if you have questions or concerns.
- 5.) The “Contract Administrator” on the CAF form will be contacted regarding any changes, or notified to proceed with obtaining signatures.
- 6.) Ensure all signatures and/or initials are in place on the Contract Amendment Form (CAF) and applicable Schedules.
- 7.) **For Contracts with Individuals (do not have a Business Number or charging tax):** Have the contractor sign two (2) copies of Schedule D and applicable Amended Schedules.
- 8.) Forward both copies of the Amended Agreement and the Contract Amendment Form (CAF) to Purchasing Services, 410 Administration Bldg., Fort Garry Campus. Once Purchasing receives ‘both’ copies of the signed Amended Agreement, applicable Schedules and the Contract Amendment form, a change order will be issued to the existing Purchase Order. One copy of the Amended Agreement and a confirming copy of the amended Purchase Order will be forwarded to the attention of the Contract Administrator (as indicated on the face of the Contract Amendment Form CAF).
- 9.) Please forward the Agreement to the Contractor and keep the ‘Receipt Notification’ copy of the Purchase Order and a copy of the Agreement for your records.
- 10.) **For Contracts with Businesses or Individuals (with a Business Number or charging tax):** Please create a Contract Request to Amend in EPIC, uploading all the applicable Amending documents.
- 11.) **Please see the ‘new’ Signing of Agreements - New Policy and Procedures and List of Signing Authorities.** Per policy, only a Dean/Director that reports to a V.P. has signing authority on Contracts/Agreements, regardless of their dollar value.
