

## SIGNING AUTHORITY FORM

Signing authority is provided to individuals to assign a level of accountability associated to financial transactions recorded on a FOP/FA. Each signing authority code defines the responsibility granted related to the funding including approvals of expenses or access to reports. Use this form to add, update or remove individuals to/from FOP or FA combinations (operating or research), or to submit a mass change. Please complete only the sections below that apply. All changes must be authorized by the Primary Signing Authority.
