PROPOSAL TO FURTHER EXTENSION OF THE VOLUNTARY WITHDRAWAL DATE

Proposal
Voluntary Withdrawal date for courses taught in the Winter term 2020 (not including spanned courses which began in September 2019) be extended to **May 10, 2020**.

This new date is the same as the deadline given for students to declare grading choices in accordance with the options approved by Senate Executive on March 25 and April 1, 2020.

Rationale
The proposal is made to provide students with additional time to make their final decisions about how best to handle grades received for Winter term 2020 courses.
