Part I

Reason for Procedure

1.1 To establish a process for appeal hearings, and to provide guidance to Panel members of the Senate Committee on Admission Appeals, and to the student and Faculty/School/College representatives in relation to appeal hearings.

Part II

Procedural Content

2.1 The Senate, in approving the Procedures outlined herein, wishes to impress upon the parties appearing before the Committee that the appeal hearing is intended to be a review of the facts which bear on the issues before the Committee. Questions by the Committee members to the Appellant and to the Respondent during the course of the appeal hearing should be expected. Nothing in these Procedures should be taken, however, as relieving the Appellant of the responsibility of making a submission and presenting evidence in support of his/her appeal.
2.2 Prior to submitting an appeal to the Committee, the Appellant must have exhausted all procedures and appeal processes available to him/her within Faculty/School/College Councils, or their designated committees.

**Initial Reconsideration**

2.3 An Appellant wishing reconsideration of the decision of a Faculty/School/College admission selection committee shall direct his or her request in writing to the Chair of the admission selection committee within ten (10) working days from the date on the letter of decision from the admission selection committee.

**Filing an Appeal**

2.4 If an Appellant is not satisfied with the result of the reconsideration, he or she may file an appeal along with all relevant documentation in the Office of the University Secretary within ten (10) working days from the date on the letter of decision from the admission selection committee or until such time as the Chair may allow if a written request for an extension is made prior to the deadline.

2.5 If an Appellant files an appeal beyond the (10) working day period, the Appellant must provide written reasons for the delay. The Chair shall have the discretion to extend the deadline for filing the appeal if it is determined that there are special circumstances which justify or excuse the delay. The Chair's decision is final and not appealable.

2.6 The Appellant must submit all documentation that will be relied on for the appeal and must include the following:

(a) a completed and signed Senate Committee on Admission Appeals - Appeal Form. The form is developed by the University Secretary with the advice of the Committee and is available at the Student Advocacy Office, the Office of the University Secretary and on the University of Manitoba website;

(b) a letter to the Chair clearly explaining the grounds for the appeal, with specific reference to Section 2.4 of the Senate Committee on Admission Appeals Policy;

(c) a copy of all the documentation submitted to the last appeal level. No new documentation can be submitted at this time;

(d) a copy of the letter of the reconsideration decision from the Faculty/School/College admission selection committee;

(e) the names of any witnesses, recognizing that calling them is at the discretion of the Chair and being aware of Section 2.37 of these Procedures; and
(f) if the Appellant intends to have a lawyer present at the appeal hearing, the name and address of the lawyer shall be provided at the time of filing the appeal.

2.7 All submitted documents are considered confidential and will be subject to the provisions of The Freedom of Information and Protection of Privacy Act and The Personal Health Information Act.

2.8 The remedy sought of the Committee shall not differ from that requested of the last appeal level unless extraordinary circumstances are presented.

Representation of Appellant

2.9 The Appellant shall have the right to be accompanied by a spokesperson.

2.10 The spokesperson may be an advocate from the Student Advocacy Office, a representative from the University of Manitoba Students' Union, a representative from the Graduate Students' Association, a member of the university community not receiving payment for appearing, a member of the Appellant's immediate family or a lawyer. It is the Appellant’s sole responsibility to ensure:

(a) that his/her spokesperson is familiar with the Senate Committee on Admissions Appeals Policy and Procedures;

(b) the adequacy of his/her representation, if any; and

(c) to pay for his/her own lawyer’s fees, if any.

2.11 The Appellant also has the right to waive his or her appearance at the hearing and be represented by a spokesperson. If the appellant chooses to not attend the hearing and be exclusively represented by a spokesperson, then he/she must complete a Representation Authorization Form. The Representation Authorization Form is developed by the University Secretary with the advice of the Committee and is available at the Student Advocacy Office, at the Office of the University Secretary and on the University of Manitoba website.

Panels

2.12 A Panel shall be convened and will review, in camera, the Appellant’s submission to determine whether the Committee has jurisdiction to hear the appeal, whether the Appellant has standing, and whether there are grounds for the appeal. The Chair, at his/her discretion, may invite the parties to make submissions on the question of jurisdiction or standing. The Chair shall direct the Panel that, in its consideration, the benefit of the doubt will always be given to the Appellant:

(a) if the Panel determines that there is no jurisdiction to hear the appeal, and/or the Appellant has no standing, and/or there are insufficient grounds to consider an appeal, the file shall be closed, the appeal will be
deemed dismissed and the Appellant and the Respondent will be informed by letter;

(b) if the Panel determines that there is jurisdiction to hear the appeal, the Appellant has standing, and there are sufficient grounds, the process shall continue.

2.13 The Panel shall be prepared to convene as quickly as possible in those cases that require prompt action and, in general, shall attempt to handle all appeals with due dispatch.

2.14 A Panel shall consist of at least four (4) members, and shall include the Chair, one student and one academic member.

2.15 A quorum of the Panel shall be a minimum of four (4) members, including the Chair, ensuring at least one student and one academic member are present.

2.16 If a member of the Panel informs the Chair that he/she is unable to sit on an appeal for any reason and quorum is compromised, a replacement will be sought from remaining members of the Committee:

(a) If this is an urgent matter and the Chair is unable to secure a replacement, then the Chair shall request the University Secretary to take appropriate action to fill the vacancy;

(b) If quorum is compromised on the day of the appeal hearing, the Chair will offer both the Appellant and the Respondent the opportunity either to waive quorum and continue with the appeal hearing or to have the hearing rescheduled as soon as possible. The appeal hearing will be rescheduled if either party so requests.

2.17 The Chair has the jurisdiction to determine the relevance of evidence.

2.18 The relevant evidence to support or uphold the appeal before the Panel will be weighed on a balance of probabilities.

2.19 The determination of all matters before the Panel will be decided by a simple majority.

2.20 The Chair will vote only in the event of a tie.

2.21 A member of the Panel shall be disqualified who:

(a) is an academic member of the Faculty/School/College in which the Appellant is registered for any course; or
(b) is a student currently registered in any course in the Faculty/School/College in which the Appellant is currently registered for any course; or

(c) is an individual who was involved in an earlier stage of decision making respecting the appeal; or

(d) is a member of a committee which was responsible for making the decision appealed; or

(e) is otherwise in a conflict of interest with either the Appellant or the Respondent.

2.22 Where a member of a Panel is challenged by the Appellant or the Respondent on grounds such as conflict of interest, bias or malice, the remaining members of the Panel shall consider the merits of the challenge and determine whether or not the member is disqualified from hearing the appeal. Should a challenge result in a loss of quorum, the Panel shall adjourn and a subsequent hearing shall be scheduled.

2.23 A staff member from the Admissions Office responsible for the Appellant’s file will serve as resource person. The Admissions Officer shall not have a vote.

2.24 A staff member of the Office of the University Secretary will serve as Recording Secretary for the meetings and appeal hearings. The Recording Secretary shall not have a vote.

Process

2.25 The Committee will convene a Panel. The Panel will review, in camera, the Appellant’s submission to determine whether it has jurisdiction to hear the appeal, and whether there are grounds for the appeal. The Chair of the Panel, at his/her discretion, may invite the parties to make written or oral submissions on the question of jurisdiction or standing. The Chair of the Panel shall direct the Panel that, in its consideration, the benefit of the doubt will always be given to the Appellant:

(a) If the Panel determines that there is no jurisdiction to hear the appeal, and/or there are insufficient grounds to consider an appeal, the file shall be closed, the appeal will be deemed dismissed and the Appellant and the Respondent will be informed by letter;

(b) If the Panel determines that there is jurisdiction to hear the appeal and there are sufficient grounds, the process shall continue to a hearing.

2.26 The Office of the University Secretary shall inform the relevant Dean or Director in writing of the appeal hearing, provide the Appellant’s documentation, and request a written response within ten (10) working days or until such time as the
Chair of the Panel may allow if a written request for an extension is made prior to the deadline.

2.27 The Chair of the Panel shall have the discretion to extend the deadline for filing the response if it is determined that there are special circumstances which justify or excuse the delay. The Chair’s decision is final and not appealable.

2.28 The Faculty/School/College must submit all documentation that it, as the Respondent, will rely on for the appeal hearing. The documentation must include the following:

(a) a letter to the Chair clearly outlining the response to the appeal;

(b) a copy of the appeal documentation submitted by the Appellant to the last appeal level, unless already submitted by the Appellant;

(c) a copy of the documentation the Respondent relied upon to make his/her decision at the last appeal level. The Respondent cannot submit new information at this time, unless requested by the Committee;

(d) a recommendation on the preference of holding those parts of the appeal hearing, receiving statements from the Appellant and others in closed or open session;

(e) a list of the names and responsibilities of those individuals representing the Respondent at the appeal hearing;

(f) the names of any witnesses, recognizing that calling them is at the discretion of the Chair, and being aware of Section 2.35(b) of these Procedures; and

(g) if the Respondent intends to have a lawyer present at the appeal hearing, the name and address of the lawyer shall be provided at the time of filing the response.

2.29 The Appellant, his/her spokesperson, if any, the Respondent and Panel members will be provided with a written notice of the appeal hearing date, place and time.

2.30 The Office of the University Secretary shall distribute the Appellant’s submission and the Respondent’s submission to the Appellant, the Respondent and the Panel at least five (5) days prior to the hearing.

2.31 An Appellant may withdraw his/her appeal by completing a signed Withdrawal of Appeal Form. The form is developed by the University Secretary with the advice of the Committee and is available at the Student Advocacy Office, at the Office of the University Secretary and on the University of Manitoba website.
At the Appeal Hearing

2.32 An Appellant who fails to attend a scheduled appeal hearing may have the appeal considered on the basis of the Appellant’s written submission, the presentation of the Appellant’s designated spokesperson, if any, and the verbal and written submissions made by the Respondent.

2.33 The Panel, in camera, shall decide whether to hear the appeal in open or closed session taking into account the preferences of both the Appellant and the Respondent. If there is any disagreement between the Appellant and the Respondent on this point, the Panel may ask both parties to present submissions or to answer questions. The Panel may, at the request of either party, or on its own initiative, decide to move from open to closed session or vice-versa at any stage in the appeal hearing.

2.34 If the appeal hearing is in closed session, no observers may be present in the room. If the appeal hearing is in open session, any observers present will not be allowed to contribute in any way to the proceedings. Regardless of open or closed status, no electronic or other recording devices will be permitted.

2.35 All Panel members, the Appellant and/or the spokesperson, if any, and the Respondent and/or the spokesperson, if any, will have standing to speak during the appeal hearing.

2.36 The Chair of the Panel will invite both parties to enter the hearing room and announce whether the appeal hearing is to be in closed or open session or request to hear from the parties if there is a disagreement.

2.37 The Chair of the Panel shall introduce all parties and outline the appeal hearing process, including the identification of all individuals with standing. The Chair shall ask both parties if they have any questions about the process involved in the appeal hearing and/or the guidelines under which the Panel operates.

2.38 During the appeal hearing the Chair of the Panel:

(a) may limit oral evidence or oral submissions based on relevance, repetition or privacy;

(b) will not normally permit evidence from witnesses;

(c) determines all questions on admissibility of evidence and the appeal hearing process;

(d) may allow the submission of new information by the Appellant or the Respondent only with the consent of the other party;

(e) may seek legal advice.
2.39 The appeal hearing must recess if any Panel member or individual with standing leaves the room temporarily. Either party may request a recess at any point in the appeal hearing. Such a request shall not be unreasonably denied.

2.40 The Panel may, on its own initiative, decide to call, during the appeal hearing, additional resource individuals for further clarification on any issue raised in the appeal.

2.41 The appeal hearing shall proceed as follows:

(a) the Chair shall ask the Appellant, or his/her spokesperson, if any, to make an oral statement to the Panel. If the Appellant wishes to make such a statement it may be used to summarize, elaborate upon, or explain the Appellant's written submission;

(b) the Chair shall invite members of the Panel to ask questions arising from the Appellant’s oral statement and submitted documentation. Cross examination will not be permitted. The Respondent is allowed to ask questions for clarification pertaining to the statement through the Chair;

(c) the Chair shall ask the Respondent, or his/her spokesperson, if any, to make an oral statement summarizing or elaborating his/her response;

(d) the Chair shall invite members of the Panel to ask questions arising from the Respondent’s oral statement and submitted documentation. Cross examination will not be permitted. The Appellant is allowed to ask questions for clarification pertaining to the statement through the Chair;

(e) after both parties have presented their statements, Panel members may ask further questions of either party seeking clarification or additional information;

(f) when the Panel is satisfied that it has acquired all of the necessary information, the Chair shall ask each party to make a closing statement;

(g) after both parties have presented their closing statements, the Chair shall temporarily dismiss both parties and the Panel shall commence its deliberations, in camera;

(h) once the Panel enters its deliberations, it shall be polled by the Chair to determine if they have sufficient information to arrive at a decision or if additional information is required;

(i) if the Panel determines that it has received all of the necessary information to come to a decision, the Chair shall release both parties;

(j) if the Panel determines that more information is required, the Chair will recall the parties into the hearing room. Normally, the Panel will receive
the additional information through further questions posed to either the Appellant or the Respondent. However, if more detailed information is required, the Panel may reconvene at a later date, as quickly as possible, at which time both parties have the right to be present;

(k) the Panel shall complete its deliberations and voting in camera.

Post Decision

2.42 The Chair of the Panel shall, after a decision has been made, report the results of that decision in writing to the Appellant and the Respondent, and/or their spokespersons, if any. The letter shall include either:

(a) that there is no jurisdiction to hear the appeal, the Appellant has no standing, and/or that there are insufficient grounds to proceed to an appeal hearing; or

(b) a brief summary of the following:

(i) the facts of the appeal;

(ii) the issues of the appeal; and

(iii) brief reasons for the decision of the Panel with specific reference to Section 2.4 of the Senate Committee on Admission Appeals Policy.

2.43 When an appeal is allowed, the Faculty/School/College concerned shall take such steps as necessary to ensure that the Appellant has the same right of entrance as he/she would have held if his/her original application had not been rejected.

2.44 The Committee will report and recommend on any changes in admission policies and procedures which should be considered as a result of the appeal.

2.45 All members of the Panel will keep all materials and information used for the appeal in strict confidence and, following the appeal hearing, will surrender such materials to the Recording Secretary who will arrange to have the materials destroyed in a confidential manner.

2.46 Files on completed cases shall be retained by the University Secretary and shall remain confidential.

Periodic Reports to Senate

2.47 The Chair of the Committee shall report the action taken, if any, on each appeal to Senate in such a manner as to preserve confidentiality.
