Cessation of Staff Appointment Form
Explanatory Notes

- o) Legal doc expired/invalid – e.g., an international student ceased to be a full time student, therefore study permit no longer valid.

If it is a Position Discontinuance, please consult your HR Consultant on the appropriate actions to be taken and he/she will complete the appropriate paperwork.

5. Enter the new department name if this is a transfer. Enter n/a if not known, or if not a transfer.

- D. Vacation/Overtime Reconciliation:** You only complete this section for support staff. Please enter n/a if the cessation is not for a support staff member. Employees who were on the bi-weekly cycle during the transition to VIP in 2005 received a week's salary in advance. If they have not already paid this back, it will be deducted from their final pay.

For retirements, and for UNIFOR resignations, the individual may take vacation from his/her vacation entitlement bank (not the vacation accrual/credits) prior to the last day.

Please check to ensure that the individual has sufficient vacation balance after deducting the one week pay advance mentioned in the ensuing paragraph. For resignations (other than UNIFOR), no vacation is to be taken during the notice period – vacation will be paid out instead.
