1. Full-time is based on 60% of normal load at November 1 of Year 1. Registration in subsequent years may be at full or part-time status.
2. Categories of Graduation, Continuation or Attrition track students regardless of movement from original, or any, faculty at the University of Manitoba.
3. Percent ranges should not be averaged as cohorts vary in size; see Web site for details on cohorts. (<http://www.umanitoba.ca/admin/oia/students/1436.htm>)
4. Includes only those students who entered these faculties in their first year at the University of Manitoba. Does not include students who transfer from University 1 or any other faculty.
5. Small programs increase the variability of outcomes.
6. Includes students who transferred from another university to the University of Manitoba. Those who started in University 1 and transited to Arts or Science are included in the Direct Entry category above.
7. Clayton H. Riddell Faculty of Environment, Earth, and Resources was new in 2003.
