## Notes:

1. Aboriginal identity is self-declared on the Admission form. Because the self-declaration is voluntary, the numbers reported would be less than the total population of Canadian Aboriginal students on campus. Undergraduate data collection began in 2000-01. Data collection for graduate students began in 2002-03.
2. Faculty of the Environment changed its name to the Clayton H. Riddell Faculty of Environment, Earth, and Resources in 2004.
3. 'Others' includes faculties/schools with fewer than four students.
