1. The Council on Post-Secondary Education provides institutional support grants to The University of Manitoba toward the academic and personal supports for students in the ACCESS Programs. ACCESS programs enhance accessibility for priority groups consisting of northern Manitobans, Aboriginal people, single parents, women, immigrants, refugees, visible minorities, and people with disabilities.
2. The previous Nursing Access Program (NAP), the Pre-Nursing Access Program, and the Special Pre-Medical Studies Program (SPSP) were merged under the new Health Careers Access Program (HCAP) in 2006. HCAP includes students in the faculties of Medicine, Dentistry, Dental Hygiene, Pharmacy, Medical Rehabilitation (Physical and Respiratory Therapy) and Nursing.
3. Pre-HCAP students are those students who have expressed an interest in Nursing, however, they have not yet gained admission to the faculty.
4. Program is exclusively for students of Aboriginal ancestry.
5. UMAP includes students in the Education Access Program (EAP) and the pre-EAP.
6. While both the Inner City B.S.W. (formerly Winnipeg Education Centre B.S.W.) and Northern B.S.W. programs offer ACCESS programs, intake is not exclusive to ACCESS students. Enrolment reported under these programs represents ACCESS students only.
