1. Includes all courses numbered 0400-6999. Does not include Distance Education courses and credit hours taught on-load during the previous summer.

2. Beginning in Fall Term 2009, students with outstanding tuition fees are no longer cancelled and excluded from the credit hour figures. Because of this policy change, comparisons to earlier years should be made with caution.

3. The Faculties/Schools of Medicine, Dentistry, Medical Rehabilitation and Dental Hygiene determine their workload by numbers of students instead of by credit hours.

They are included in the "Taught To" calculations because their students can take credit hours in other faculties/schools.

4. University 1 (U1) is included in the "Taught To" category as students in this program take credit hours from other faculties/schools.

5. Due to rounding, some totals may not match the sum of the individual faculty figures.
