2. The User shall not use the Facilities in a manner which interferes with the educational, research and other activities of the University. The Event shall not be of a nature which, in the reasonable opinion of the University, would bring the reputation of the University into disrepute.

The User may also apply to the LGCA for an “occasional permit” to provide complementary alcohol to certain guests, in which case the User must make such arrangements through the Director of Smartpark at least 15 business days prior to the Event on the Occasional Permit Approval form. The University makes no representation as to whether an “occasional permit” will be available.

8. The User hereby agrees that the University, and its employees, officers, agents, and contractors shall not be liable for any injury (including death), loss or damage to the person or Facilities of the User or any employee, officer, member, agent, or contractor of the User, resulting from, or in any way attributable to the User’s use of the Facilities hereunder, even where such injury, loss or damage is the result of a negligent act or omission of the University, or its employees, officers, agents, or contractors. Notwithstanding, the University shall still be liable for any intentional misconduct on its behalf, or on behalf of its employees and officers.

9. The User shall at all times indemnify, defend, and hold harmless the University, its employees, officers, agents, and contractors from every claim, demand, cost, expense, injury (including death), loss, or damage in any manner based upon, arising during, occasioned by, resulting from, or in any way attributable to the User’s use of the Facilities hereunder.

The User shall take out and keep in full force and effect throughout the User’s use of the Facilities, comprehensive general liability insurance in the amount of $5,000,000.00 against bodily injury (including death) and Facilities damage on terms and in an amount satisfactory to the University. Where requested, the University shall be named as an additional insured on this policy but only with respect to claims arising out of the Event.

11. Where requested by the University, the User shall deliver to the University a copy of a satisfactory Certificate of Insurance, at least 15 business days in advance of the commencement of the Event.

12. Neither party shall be liable for failure to fulfill obligations under these Terms and Conditions, where such failure results from strikes or work stoppages, legal restrictions, weather, fire, natural disasters, or any other unavoidable occurrence.

13. Any term of these Terms and Conditions which, by its nature, extends beyond expiration or termination will remain in effect until fulfilled.
14. These terms and conditions may not be assigned by the User without the written consent of the University. No sub-letting of the Facilities is permitted without the written consent of the University.

15. The User will comply with all:
   (a) federal, provincial and municipal laws, including all applicable fire codes and capacity ratings;
   (b) reasonable rules or requests of the University with regard to the Event; and
