Fire Safety Training

Occupants and Students

PLEASE SIGN IN!
Welcome and thank you!

- Time
- Breaks
- Respect
- Questions
Purpose

• To learn what to do in case of a Fire or if the Fire Alarm rings.

• Emphasize that the Fire Wardens are a very important element of the University’s Fire Life Safety program.
So...

- Where are the nearest exits from this floor and building?
- The fire alarm pull stations?
- Fire extinguishers?
- Muster points?
- Evacuation route maps?
U of M Fire Safety Procedure

• EVERYONE is expected to leave the building when the alarm sounds,
  – staff, faculty, students, visitors, contractors
Definitions

• **Supervisory Staff** — occupants of building with delegated responsibility: **Fire Wardens**
Emergency Plans

Includes:

• What to do when the alarm sounds,
  – Follow Fire Warden’s instructions,

• Muster (meeting) points,
  – Report

• “All clear” signal
Smell of Smoke, Seeing Smoke or Suspicion Of Fire

- **R**emove yourself and others from immediate danger.
- **E**xit the building via the nearest emergency exit.
- **A**ctivate the nearest Pull Station as you exit the building, if alarm has not been automatically activated.
- **C**lose Doors behind you as you leave areas. When you have reached the outside of the building, move away from the building.
- **T**elephone 911 to report the location of the fire once you are outside the building. This info can be shared with Fire Wardens as well.
The Evacuation…

• Close doors behind you on the way out.
• DO NOT LOCK DOORS!
• Leave the lights on.
Fire Drills

• Frequency set by the MB Fire Code (law),

• Opportunity to practice a life-saving exercise,

• Opportunity to learn and improve the plan,
Fire Safety hazards to look for

ABOUT IT
Video

- The Station Night Club Fire
- This Video is Graphic so those that need to can step outside and I will come get you when the video is over.
- I will pause the video at several points so that I can illustrate certain things.
Wrapping up…

• Are there any questions?
• Comments?
• Critique of the presentation.
Pull Station Demo
Thank you for participating!
