20+ LANGUAGES SPOKEN ON CAMPUS
ENGLISH LANGUAGE PROGRAMS
Do you want to improve your English language skills? The University of Manitoba can help you achieve your language goals with one of our two outstanding English study options.

INTENSIVE ENGLISH PROGRAM
The Intensive English Program (IEP) will provide you with a dynamic and stimulating language learning experience. You will enjoy daily speaking, reading and writing classes that will improve communication skills in social and professional settings. The program includes exciting socio-cultural activities that will provide you with an opportunity to extend your learning beyond the classroom.

- Year-round program with monthly start dates
- Seven levels of English from beginner to advanced
- Full-time program with 26 hours of instruction per week
- U of M credential upon completion
- Extensive learner supports that include hands-on workshops, online seminars and one-on-one instruction
- Extra-curricular conversation practice through language partners, conversation cafés and volunteer opportunities

Admission fee: $300 CAD
Tuition: $1,200 CAD per month
iep@umanitoba.ca

INTENSIVE ACADEMIC ENGLISH PROGRAM
The Intensive Academic English Program (IAEP) prepares you for university studies by providing you with the language skills necessary to succeed academically. You will learn how to write research papers, learn new vocabulary and deliver academic presentations, among many other skills. Depending on your initial placement level, the IAEP can take as little as one semester to complete.

- September, January and May start dates
- Full-time IAEP that meets the language requirement to begin degree study
- 24 hours of instruction per week
- Average class size is less than 12 students per class
- Workshops and part-time courses are available in writing or speaking for students in degree study
- Official IELTS testing centre

Application fee: $175 CAD
Tuition: $4,000 CAD for 14 weeks
elc@umanitoba.ca
→ umanitoba.ca/elc

Students studying in either program are eligible to apply to live on campus in our residences, with a homestay family or they can find accommodations off campus.

WHAT IF I DO NOT MEET THE ENTRANCE REQUIREMENTS?

If you do not meet the U of M’s admission requirements, consider a preparatory program designed to help you reach your goals.

**INTENSIVE ACADEMIC ENGLISH PROGRAM (IAEP)**
Conditional admission is possible by successfully completing Level 5 of the IAEP. Conditional admission is available to University 1, Science, Arts and General Studies. Students wishing to enter other programs can submit an application for consideration after completion of the IAEP. A joint application is available online for English Language Centre PLUS UM studies.

Students presenting a minimum IELTS 5.5 or TOEFL iBT 70 (with 16 in each component) or equivalent will be placed directly in Level 5 of the program. Students without a standardized test score will be placed in an appropriate level through placement testing upon arrival.

**INTERNATIONAL COLLEGE OF MANITOBA (ICM)**
If you fall short of the U of M’s academic requirements, are missing the English language proficiency requirement or need extra academic support, the International College of Manitoba (ICM) may be an option for you. Upon completion of stage 2 of the University Transfer Program (UTP), ICM students enter their second year at the U of M. The ICM also offers pre-university courses for those requiring some preparation before undergraduate studies.

→ icmanitoba.ca

*Note: Students who do not meet the minimum requirements for the IAEP on the placement test are encouraged to apply to the IEP to upgrade their English before returning to the IAEP.*
DIRECT ENTRY
If you are coming to university directly from high school or have completed less than one year of university studies, you will follow the direct entry route into a faculty or program. For most students, this means entering into University 1.

University 1 (U1) is our largest and most popular, flexible first year program that allows you to explore more than one degree program before committing to a field of study. The courses you take in U1 count towards your degree without adding extra time – regardless of what program you ultimately choose.

➢ umanitoba.ca/u1

ADMISSION REQUIREMENTS
High school graduation is a general requirement for all programs. Specific admission requirements will vary by program.

University 1
Minimum average of 70% in three senior level academic courses, with at least 60% in a first language literature course.

Direct Entry Programs
Minimum average of 85% across a specific set of academic courses. In cases where eligible applicants outnumber the available spaces, applicants will require higher averages than stipulated to be successful in the admissions competition.

ADVANCED ENTRY
Advanced entry programs require one or more years of university-level study to be eligible to apply. Students who have completed U1 (or equivalent in another faculty or institution) can choose to apply to a variety of advanced entry programs at the U of M.

External transfers can receive a maximum of two years (60 credit hours) of credit applied to a U of M degree, subject to faculty regulations and requirements.

➢ umanitoba.ca/student/admissions/international

ENGLISH LANGUAGE PROFICIENCY REQUIREMENTS
Applicants whose first language is not English, or who were born in a country where English is not a primary language, may be required to demonstrate English language proficiency prior to admission. This may be done in one of several ways:

➢ umanitoba.ca/student/admissions/international/English

Write a Test
TOEFL IBT: 86 overall band score with a minimum of 20 in each component
IELTS: 6.5 overall band score
CanTEST: minimum 4.5 (Reading), 4.5 (Listening) and 4.0 (Writing)

Complete the U of M Intensive Academic English Program (IAEP)
Achieve a minimum of 65% in Level 5 of the IAEP, as taught by the English Language Centre at the U of M.

Qualify for a Waiver
Students who have studied for at least three consecutive years in a country where English is a primary language may be considered for an English language proficiency waiver. Additionally, students who have graduated from a Canadian curriculum school with a year 12 English literature grade of 75% or higher may also be considered for an English language proficiency waiver.

Visit us online for a complete list of ways to demonstrate English language proficiency.
