

## **CM CLASSEN FARMS & DRAINAGE CONTRACTING**

We are looking for the right people to become part of our team. In addition to a grain and oilseed farm, we also operate an expanding land drainage consulting and sales business that serves clients throughout Western Canada. We are looking for individuals that are willing to learn, happy to work in a variety of environments and have ambition to advance rapidly to senior positions.

### **JOB TITLE: Operations Manager (permanent)**

#### **POSITION DESCRIPTION:**

- Operation of equipment including: tile plows, scrapers, excavator, and all types of farm equipment
- Supervising a tile drainage crew working both in Manitoba and Saskatchewan
- Working with GIS software for drainage planning
- Topography surveying with RTK GPS
- Communicating with clients in person, by phone, and email
- Shop work including assembling tile plows and equipment maintenance
- General farm labour

#### **IDEAL CANDIDATES:**

- You have a very good understanding of farm operations and the use of technology in the sector, plus experience in operating many types of equipment
- You have a proven track record in management, with strong problem solving and organizational skills, and the ability to manage others effectively
- You are friendly and outgoing, enjoy meeting new people, and are a great communicator
- You have computer skills and are familiar with GIS software and the use of GPS both on the farm and for surveying
- A farming background, Class 1 License, and sales experience would be definite assets

#### **ADDITIONAL COMMENTS:**

- Competitive wages based on experience
- Must be willing to spend some time on the road
- We work long hours through spring, summer, and fall with extended time off available during the winter months

**EMPLOYER:** CM CLASSEN FARM

**JOB LOCATION:** Elm Creek, MB

**APPLICATION DEADLINE:** April 1<sup>st</sup> 2012
