

Job Title: Sales Agronomist

Job Type: Permanent

Deadline: April 26, 2012

Email: bryan@jonair.com

Location: 8 miles east of Portage La Prairie

Posting:

Jonair (1988) Ltd. is a large independent crop inputs company specializing in custom aerial application. In addition we promote and sell a variety of chemicals, seed and fertilizer to our customers. Due to our continued growth we are looking to add another Sales Agronomist to our staff, who has a degree or diploma in Agriculture as well as a farming background. Duties of the Sales Agronomist will include scouting fields for our current customer, providing reliable agronomic advice as well as developing relationships with new customers. Jonair (1988) Ltd. located 8 miles east of Portage La Prairie, is an independently owned and operated company with a fleet of 5 airplanes and 1 ground sprayer. We offer very competitive salaries and offer a healthy work environment. Please submit resumes to bryan@jonair.com
