

THE POSITION:

Advertisement Number: 25358

Job Title: Farm Production Advisor – Agricultural Crown Lands

Job Classification: Agrologist 3 (G3)

Job Type: Permanent/Full-Time

Department: Manitoba Agriculture, Food and Rural Initiatives

Location: Dauphin, Manitoba

Salary Range: \$57,120 - \$73,983 per annum

Closing Date: February 12, 2012

This position develops and delivers programming that assists primary agricultural producers in making decisions that encourage profitable, productive and environmentally sustainable forage, pasture and livestock production. Combining your Degree in Agriculture with experience related to forage and livestock production, providing production extension services to clients, and working in a regulatory environment you will work with clients to prevent, diagnose, and provide remedial action on land management and production issues and facilitate the adoption of techniques to improve farm production practices. Working within the regulatory environment of Agricultural Crown Lands program delivery you will enforce policies and procedures, manage crown land resources, undertake physical inspections of crown land and prepare and present information at Crown Land Appeals.

Candidates who do not meet the full qualifications may be considered on an underfill (development) basis.
