Lecture: Two term exams worth 15% and 20%, respectively, and a *cumulative* final exam worth 30%. Exams include various question types like multiple choice, True/False, matching, open answers, etc.).

Assignment: You have two assignments totalling 35% of your final grade. You will create multiple choice questions on course content and evaluate questions from your peers (PeerWise, 15%), and you will create a poster on a topic related to veterinary entomology (Poster, 20%). Specific instructions for both assignments will be provided by January 20.

Examination Schedule	Date	Percentage of Final Grade
Lecture Exams (65%):		
Term Exam #1:	Friday, February 10	15%

My goal is to hand exams back to you one week(ish) after the examination. Written assignments will take me longer to grade, probably about three weeks.

Any plagiarized assignments, in whole or in part, will receive a grade of zero.

Course Expectations and Policies

Recording Devices in the Classroom (including online) Policy

The instructor(s) hold copyright over the course materials, presentations and lectures that form part of this course. **No audio or video recording (including pictures) of this material, lectures, or presentations is allowed in any format, openly or surreptitiously, in whole or in part, without permission from Kateryn Rochon.** Course materials (both paper and digital) are for the student's private study, and must not be shared, reproduced, distributed, or posted online without permission. Violation of these and other Academic Integrity principles will lead to disciplinary actions.

If you have a disability and require materials in alternative formats, please make arrangements through [Student Accessibility Services](#) (see page 15).

Distribution of notes and other materials, such as assignment and exam questions that were provided by the instructor is prohibited, unless otherwise stated. This means that you are not allowed to upload the instructor's intellectual property to a note-sharing or tutoring website without explicit permission.

Missed Exam Policy

The exam schedule is provided to you so you can plan ahead. This includes checking for scheduling conflicts. If you know ahead of time that you will not be able to write an exam at the scheduled time, let me know right away. If you come to me early on, I will try to accommodate your needs.

There are no "make-up" exams. If you miss a term exam, the weight of the exam (how much it is worth toward your final grade) will be added to your final exam. For example, if you miss the second lecture midterm (worth 20%), then your final exam will be worth 50% instead of 30%. It is your responsibility to be present during scheduled examinations. If you are absent (i.e., you miss your exam), you will need to provide justification.

It is your responsibility to be present during scheduled examinations. If you miss your exam due to *extenuating circumstances* (see [Self-Declaration for Brief or Temporary Student Absences](#)), or with prior written approval from the course instructor, the marks allotted for the midterm exam will be re-allocated to the final exam. False declarations on the temporary absences form are considered a breach of academic integrity and can result in discipline.

Declaration Form here: [Self-Declaration Form for Brief or Temporary Absence](#)

Contact your academic advisor/Student Services within 48 hours for a missed final exam.

Assignment Extension and Late Submission Policy

You must complete and submit all items for which a mark is allocated, including assignments, to get a final grade in the course. Completed assignments are uploaded to the respective assignment folder on UM Learn; emailed assignments will not be accepted. Late assignments will incur a penalty of one mark per day late for the first 5 days after the deadline (i.e., if you achieve a mark of

17/20 and the essay was submitted 2 days late, the grade will be 15/20). Assignments submitted more than 5 days late will incur a penalty of 5 marks per day.

If unforeseen catastrophic events occur and you require an extension, please contact me to explain (and support) the extenuating circumstances under which you are/were not able to meet the deadline. It's likely assignment due dates and exam dates for all your courses will all fall in the same week, so you should plan accordingly. Unexcused missed assignments will be given a grade of zero if they are not handed in by the end of classes (April 12, 2023).

A missed *and excused* assignment can either: 1) be completed and receive the late assignment penalty described above, or 2) a new due date can be established with the instructor.

Academic Integrity Policy

Plagiarism or any other form of cheating in examinations, term tests or academic work is subject to serious academic discipline. Cheating on examinations or tests may take the form of copying from another student or using unauthorized materials during an exam. Academic misconduct on exams and assignments can also include impersonation, duplicate submission, and inappropriate collaboration. A student found guilty of contributing to cheating in examinations or assignments is also subject to serious [academic discipline](#). Electronic detection tools may be used to screen assignments in cases of suspected academic misconduct. False declarations on the *Self-Declaration Form for Brief or Temporary Absence* are also considered a breach of academic integrity and can result in discipline. Students should acquaint themselves with the [University's academic integrity policies](#).

- Unless otherwise stated, complete your assignments, quizzes, tests, and exams by yourself with no help from your class peers, family members, or from tutors that are not approved by the instructor. If you need assistance, please contact the instructor immediately for support and/or to arrange for approved supports.
- Do not share course materials (e.g., notes, exam questions, assignment instructions, article) that have been created by the instructor or were authored by another. Sharing of such materials with your peers or with note-sharing companies, such as One Class, Course Hero, or Chegg (or other similar websites), is a violation of the Copyright law.

Attendance Policy

Regular attendance, actively listening and engaging in the course by asking questions and sharing your experience will greatly improve your chance of success in this course. Attendance is not monitored. If you find you are struggling with attendance, you are falling behind, or you need to miss class and are concerned about your progress, please see the instructor as soon as possible so we can work on a solution.

UM Policies

As a student at the University of Manitoba you have rights and responsibilities. It is important for you to know what you can expect from the University as a student and to understand what the University expects from you. - [Student Advocacy Office](https://umanitoba.ca/student-supports/academic-supports/student-advocacy) (<https://umanitoba.ca/student-supports/academic-supports/student-advocacy>)

Copyright

All students are required to respect copyright as per Canada's *Copyright Act*. Staff and students play a key role in the University's copyright compliance as we balance user rights for educational purposes with the rights of content creators from around the world. The [Copyright Office](https://umanitoba.ca/copyright/) (<https://umanitoba.ca/copyright/>) provides copyright resources and support for all members of the University of Manitoba community.

Grade Appeals

If you have questions about your grades, talk to your instructor. There is a process for term work and final grade appeals. Note that you have the right to access your final examination scripts. See the [Registrar's Office](https://umanitoba.ca/registrar/grades/appeal-grade) (<https://umanitoba.ca/registrar/grades/appeal-grade>) for more information including appeal deadline dates and the appeal form.

Intellectual Property

For information about rights and responsibilities regarding intellectual property view the [Intellectual Property Policy](https://umanitoba.ca/governance/governing-documents/governing-documents-university-community#intellectual-property) (https://umanitoba.ca/governance/governing-documents/governing-documents-university-community#intellectual-property)

Program-Specific Regulations

For information on regulations that are specific to your academic program, read the section in the Academic Calendar and on the respective [faculty/college/school](https://umanitoba.ca/academics) website (https://umanitoba.ca/academics).

Respectful Work and Learning Environment

The University is committed to a respectful work and learning environment. You have the right to be treated with respect and you are expected to conduct yourself in an appropriate and respectful manner. Policies governing UM community behaviour include:

- [Respectful Work and Learning Environment](https://umanitoba.ca/about-um/respectful-work-and-learning-environment-policy) (https://umanitoba.ca/about-um/respectful-work-and-learning-environment-policy)

- [Violent or Threatening Behaviour](https://umanitoba.ca/governance/governing-documents-students#violent-or-threatening-behaviour) (https://umanitoba.ca/governance/governing-documents-students#violent-or-threatening-behaviour)

The UM website, [Engaging in Respectful Conduct](https://umanitoba.ca/student-supports/respectful-conduct) (https://umanitoba.ca/student-supports/respectful-conduct), includes more details about expectations for behaviours related to university activities.

Sexual Violence Policies

The UM has several policies and procedures that deal with the rights and responsibilities of the University community with regards to all forms of sexual violence. For a comprehensive list of policies and associated resources, visit the [Sexual Violence Resource Centre's information page](https://umanitoba.ca/student-supports/sexual-violence-support-and-education/sexual-violence-get-informed) (https://umanitoba.ca/student-supports/sexual-violence-support-and-education/sexual-violence-get-informed). Please note that there are many supports available in addition to these policy documents (see UM Learner Supports).

Voluntary Withdrawal

Voluntary withdrawal (VW) is a way for students to leave a class without academic penalty once the Registration Revision Period has ended. If you opt to voluntarily withdraw from a course, you will not be eligible for a refund and, if applicable, will still be required to pay any outstanding tuition fees for the course. On your transcript, the course you have withdrawn from will be listed; however, "VW" will appear in lieu of a grade. If you do not drop a course before the VW deadline, you will receive a final grade in the course on your transcript.

Please note that there are separate deadlines for dropping a course early in a term during the Registration Revision Period. Dropping a course means you are removing that course from your

schedule, will not be charged tuition fees for that course, and the course will not appear on your transcript.

The Registrar's Office website, [Withdraw from a Course](https://umanitoba.ca/registrar/withdraw-course) (https://umanitoba.ca/registrar/withdraw-course), includes more information on the different ways in which you can withdraw from a course and important dates and deadlines to do so.

University of Manitoba Libraries (UML)

As the primary contact for all research needs, your liaison librarian can play a key role when completing academic papers and assignments. Liaisons can answer questions about managing citations, or locating appropriate resources, and will address any other concerns you have about the research process. Liaisons can be contacted by email or phone, and are also available to meet with you online or in-person. A [complete list of liaison librarians can be found by subject](http://bit.ly/WcEbA1) (<http://bit.ly/WcEbA1>).

General library assistance is also available at both the Bannatyne and Fort Garry campuses by [visiting any library location](https://www.umanitoba.ca/libraries/locations-and-facilities) (https://www.umanitoba.ca/libraries/locations-and-facilities). When working online, students can receive help via the Ask Us chat button found on the right-hand side of the [Libraries' homepage](http://www.umanitoba.ca/libraries) (http://www.umanitoba.ca/libraries).
