Office Location: 231 St. Paul's College

Email: <u>farzana.islam@umanitoba.ca</u>
Lecture Time: Wednesday 6:00 PM – 9:00 PM

**Lecture Room:** Agriculture 130

# **Course Description**

Determinants of global food consumption, production and the factors underpinning food security and malnutrition. The importance of international trade in balancing countries' supply and demand for food, examination of trade barriers and institutions facilitating trade.

# **Course Objectives**

As an entry level university course in agribusiness and agricultural economics, the Economics of World Food Issues and Policies is aimed to help you:

- 1. Understand the basic economic tools used in analysis of global food markets.
- 2. Become familiar with important issues in world food markets including food demand, production/supply, food policy and welfare effect, natural resources and environmental issues, food security, international trade and interregional differences and similarities.

#### **Prerequisites**

There are no pre-requisites for this course.

## <u>Textbooks</u>

## Required textbook:

Southgate, D., Graham, D. and L. Tweeten, "The World Food Economy: Second Edition." Columbus: John Wiley & Sons, 2011.

#### **Optional textbook:**

Barrett, C.B. and D.G. Maxwell, "Food Aid After Fifty Years: Recasting Its Role." London: Routledge, 2005.

## **Supplementary Reading**

There will be several additional readings for the course. Most are listed below. They will be available online on UMLearn or through the U of M library. Details will be provided as needed throughout the term.

#### **Course Materials**

Regular attendance is expected from you. You will be doing extra practice questions during class. These questions will help you understand the format of the questions of the Quizzes. Also, this time could be used to get help with understanding topics.

Your participation mark is your marks on the in-class exercises. No make-up exercises unless students have a legitimate absence (i.e. illness supported by a medical certificate). All readings will be available free to students in UM Learn under the heading "readings". Students will be responsible for knowing all of the assigned readings for quizzes, assignments, and the final exam (see course schedule below).

Please respect copyright laws. Photocopying textbooks or other reading material is a violation of copyright laws and is unethical, unless permission to copy has been obtained.

## **Course Deliverables and Evaluation**

#### NOTE: There is NO FINAL EXAM in this course.

Component	Week No.	Exam Date	Grade Value

Total			100 %

The Quizzes are usually **closed book Quiz** and may contain a combination of multiple-choice questions and quantitative analysis questions.

# **Make-up Quizzes**

There is no Make-up Quiz, however in some circumstances it will be scheduled for those who have a legitimate absence, or the marks will be adjusted as per Instructor's discretion. It will be held on specific hour by the professor, and it is your responsibility to be present on the assigned date and time for your make-up test.

Students who miss the quizzes without a valid medical or compassionate reason will receive a mark of 0.

# **Quiz Requirements**

- Students need to be prepared to show photo ID at the guizzes.
- Basic calculators or financial calculators may be used for the exams. Cell Phones with calculators, PDA's, other Organizers, or programmable calculators (e.g. Graphical Calculators) will NOT be permitted to be used as calculators. Cell phones must be turned off during all classes and exams.
- Students must be punctual. Those who enter the classroom 20 minutes later than the starting time scheduled will NOT be allowed to write the quizzes.

#### **Electronic and Mechanical Devices**

Students will need to have regular access to the course Moodle to access outlines, PowerPoint of the lectures, Quizzes, class information, email, and grades. Cellphones are not required for any element of the course, so their use during class time is strongly discouraged. Recording of lectures and class discussions (by any means) is not permitted unless a student is registered with Student Accessibility Services and has a disability that requires this support.

## **GRADE DISTRIBUTION**

Grading will be based on the following conversion of marks to letter grades.

Letter Grade	Percentage
A+	90-100%
А	80-89.9%
B+	75-79.9%
В	70-74.9%
C+	65-69.9%
С	60-64.9%
D	50-59.9%
F	0-49.9%

NOTE: In the event of a skewed distribution of grades, the total course marks may be curved up or down as necessary. All Final grades are subject to Department approval.

#### **Academic Integrity Policy**

Plagiarism or any other form of cheating in examinations, term tests or academic work is subject to serious academic penalty. Cheating in examinations or tests may take the form of copying from another student or bringing unauthorized materials into the exam room. Exam cheating can also include exam impersonation. A student found guilty of contributing to cheating in examinations is also subject to serious academic penalty. Students should acquaint themselves with the University's policy on plagiarism, cheating, exam impersonation and duplicate submission (see

http://umanitoba.ca/student/resource/student advocacy/cheating plagiarism fraud.html ).
