

July 27, 2020

Dear ED4 / L+U4 student,

Welcome back to the Faculty of Architecture, Landscape + Urbanism program. We are currently making arrangements for the new academic year and ask you to note that all students are required to register on-line. Access for registration is now possible through your [Aurora Account](#).

All L+U4 classes resume on September 9, 2020. As of today, we are allowed, in principle, to plan and timetable studio courses and some of our classes to be held in person or with face-to-face components. During the registration period detailed information will appear on the syllabus section of the class schedule and provide you with the course essentials, technological requirements as well as expectations and needs in regards to format of each course you are registering for. All conditions with respect to safety protocols and prevention measures have to be met. Occupancy levels of studio and other spaces will be restricted as specified by UM standards which currently are set by requirements to maintain a physical distance between individuals of not less than 2 meters and limit occupancy to a maximum of 50 percent of normal capacity. It must be understood that these conditions may be subject to modification as UM standards are adjusted through the course of the pandemic situation.

If you have any questions or wish to contact Carrie Johnson, the Undergraduate Student Advisor, please email her at Carrie.Johnson@umanitoba.ca. We look forward to working with you for another productive year.

Yours sincerely,

Anna Thurmayr
Associate Professor
Head of the Department of Landscape Architecture
