FINDING A CLINICAL PSYCHOLOGIST

Publically Funded Clinical Psychologists:

- Department of Clinical Health Psychology Central Referral Line Phone: 204-787-7424
A referral from your primary care clinician is preferred, and self-referrals are usually not accepted. Most services involve a waiting period and not all psychological services are available. Call the intake line for more information.

Clinical Psychologists in Private Practice:

- Can be found in the yellow pages (www.yellowpages.ca), or by searching online for “psychologist” and “Winnipeg, although it’s best to confirm that someone identifying themselves as a psychologist is in fact registered to practice in Manitoba. You can confirm that someone is registered to practice as a psychologist in Manitoba by checking on the website of the Psychological Association of Manitoba. <https://www.cpm.ca/>

- **Manitoba Psychological Society**, visit www.mps.ca for information on private practice clinical psychologists. Follow “For the Public” to “MPS Psychologist Directory” to find an exhaustive list of clinical psychologists. The recommended rate for private psychologists is \$215/hr.

- **Canadian Register of Health Service Psychologists**, visit <https://www.crhsp.ca/public-profile/> to locate a psychologist
