

UNIVERSITY OF MANITOBA

Asper School of Business / Red River College Articulation Agreement

General Overview of September 2021 Admission Requirements

APPLICATION DEADLINE: MARCH 15, 2021

[The last intake under the current Asper School of Business / Red River College Articulation Agreement is for the September 2021 intake. The agreement is currently under review. Contact the Asper Undergraduate Program Office for more information.]

Under the Asper School of Business / Red River College Articulation Agreement, graduates of the Business Administration Diploma at Red River College may seek admission to the Bachelor of Commerce (Honours) program at the University of Manitoba. Applicants must have graduated from the Business Administration Diploma program at Red River College within the past 5 years. Exceptions to this 5-year time limit may be considered on an individual basis. Students must have a minimum of 42 hours of transferable credits within the diploma to be eligible for admission, including the 4 required courses listed below. A maximum of 54 credit hours from Red River College can be transferred.

Admission under the Asper School of Business / Red River College Articulation Agreement is limited to an annual quota and is competitive. Applicants satisfying the minimum entry requirements should realize that they are eligible for consideration, but that selection is academically competitive and within the discretion of the Asper School of Business.

REQUIRED COURSE WORK AT RED RIVER COLLEGE:

To be considered for admission, applicants must have completed the following courses at Red River College with a **minimum grade of "C"**:

ECON-1022 Microeconomics
ECON-2000 Macroeconomics
MATH-1020 Statistics
COMP-1975 Business Computing

To be eligible for admission in September 2021, applicants must achieve a minimum grade point average of 3.00 on their RRC Business Administration Diploma **and that GPA must be equal to or greater than the competitive AGPA of those admitted to the Asper School of Business under Track 1 in September 2021.** In September 2021, applicants will be admitted according to the priority outlined on page 2 (Priority for Selection).

NOTES:

1. Red River College applicants are admitted solely on the basis of their college coursework. If the student has additional post-secondary work, it will be assessed for potential transfer credit. Transfer credit is assessed independently from the assessment of admission requirements. Courses are evaluated for transfer credit on a course by course basis. Required coursework must have been completed within the past 10 years to be considered for transfer credit (if admitted). The maximum allowed external transfer credit is 60 credit hours.
2. If Psychology (SOSC 3001) and/or Sociology (SOSC 3007) are taken at Red River College, the student must achieve a minimum grade of "C" in the course to receive transfer credit to the Bachelor of Commerce (Honours) program.
3. All applicants whose primary language is not English and who do not qualify for a waiver under the University of Manitoba's English language proficiency regulations will be required to demonstrate proficiency in English through one of the options listed at the University of Manitoba Admissions web site:
<http://umanitoba.ca/student/admissions/international/english/index.html>

**Asper School of Business / Red River College Articulation Agreement:
Priority for Selection in September 2021:**

First Priority: RRC Accounting major applicants

In September 2021, twenty (20) spaces are reserved for Red River College Business Administration Diploma graduates with an Accounting major. Applicants are ranked in descending order of their Red River College Business Administration Diploma grade point average.

Applicants must achieve a minimum grade point average of 3.00 on their Red River College Business Administration Diploma ***and that GPA must be equal to or greater than the competitive AGPA of those admitted to the Asper School of Business under Track 1 in September 2021.***

Second Priority: RRC applicants with any major

In September 2021, up to thirty (30) spaces are reserved for Red River College Business Administration Diploma graduates with any major (including Accounting majors who are not already admitted under the First Priority). Applicants are ranked in descending order of their Red River College Business Administration Diploma grade point average.

Applicants must achieve a minimum grade point average of 3.00 on their Red River College Business Administration Diploma ***and that GPA must be equal to or greater than the competitive AGPA of those admitted to the Asper School of Business under Track 1 in September 2021.***

******Applicants in each of the First Priority and Second Priority may require a GPA well in excess of the minimum to be successful in the annual competition for admission.***
