YOUR ONE-STOP SERVICE CENTRE

The BookStore is owned and operated by the University of Manitoba and is committed to the needs of faculty, and dedicated to supporting students. We are a convenient option for U of M employees looking to buy books, office and art supplies, gifts, computers, clothing and more.

Benefits of working with the BookStore include:

- We are the source for all course materials for faculty and students
- We buy and sell used textbooks
- We work closely with Course Materials Coordinators in all departments to order all the materials requested
- We can assist with the development of custom courseware materials and copyright clearance
- We support digital material initiatives, including e-books through our publisher and industry partnerships
- We can work with your faculty or department to customize products (i.e. binders, notebooks, clothing)
THE EMPLOYEE COMPUTER PURCHASE PLAN (ECPP)

The Employee Computer Purchase Plan (ECPP) is a convenient option for employees interested in buying a home computer system through payroll deduction at a low interest rate of approximately 1% above prime.

See if you are eligible for the ECPP. Visit: umanitoba.ca/bookstore/computers

GET YOUR DISCOUNT!

Every time you use your FOAP in the BookStore you receive a discount up to 25% on most office supplies, giftware, U of M clothing and books. We also offer free-on-campus delivery with your FOAP orders.
