May 2015
For just $154 more per year, you can go from 15 meals a week to 7 days of unlimited eating in residence. With the purchase of an unlimited meal plan, you will still receive $125 of FoodBucks, which can be spent at any of the University of Manitoba Dining Services locations, including Tim Hortons, Starbucks, and Subway! The great thing about FoodBucks is that you can always add to it, like a gift card. This allows you to plan your spending and save your time for more important things than doing dishes. By choosing the unlimited meal plan, you will have no reason not to have a well-rounded diet: no more skipping breakfast, the most important meal of the day!
