RESIDENCE COMMUNITY STANDARDS

Short stay guests staying in Student Residences are part of the University of Manitoba residence community and, as such, are subject to Residence Community Standards guidelines. These policies and guidelines can be found here: http://umanitoba.ca/campus/housing/living/contract.html

In consideration of the mutual covenants contained herein, the parties agree:

The University agrees that the guest (the “Resident”) may use and occupy an assigned residence room (the “Premises”), which will be assigned to the Resident by the University and which may be changed from time to time with the written agreement of the parties.

The Resident agrees:

- To use the Premises solely for the purposes of lodging and accommodation and for no other purpose or use without prior written consent of the University;
- To pay all costs related to key replacement for any lost keys, provided that the University shall have provided the Resident with keys: a building key and a room key. The Resident shall not exchange keys with or lend keys to anyone else;
- Not to permit the Premises to be occupied by any person or persons other than those registered with the Residence Office or as otherwise authorized in writing by the University, and where the University has provided such authorization only for the period of time designated by the University;
- That the University reserves the rights to reassign Residents to different rooms or buildings in the interest of health, safety, and well-being of occupants and or the residence community. (Residence Contract: Section 1.8)
- To keep the Premises to a standard of ordinary cleanliness;
- Not to allow or to keep any pets of any order, species, or description in the Premises;
- To comply with all University of Manitoba policies, rules, and regulations and to comply with all relevant laws of Winnipeg, Manitoba, and Canada, as the case may be, which shall form part of this Agreement and which the Resident hereby agrees to be bound by, including any amendments or additions from time to time;
- To ensure that the Premises are at all times kept smoke-free and to smoke only in designated smoking areas of the University;
- To be responsible for the actions and conduct of his/her guests and for any damage caused by the Resident or by any person whom he/she permits on the Premises;
- That authorized personnel or agents of the University are entitled to enter the Premises for reasons considered appropriate or necessary for the University, including but not limited to, reasons of health, safety or general welfare; or to make necessary repairs to the Premises; or to inspect the Premises for the suspected breach of any applicable rules or regulations of the University or laws of Winnipeg, Manitoba, or Canada, as the case may be;
- To notify the University immediately of any damage to the Premises during the period of the Agreement and also of any accidents due to defects of the appliances provided by the University;
- To pay for any damage the Resident causes to the Premises during the period of this Agreement;
- That the University is not responsible for any kind of injury, damage, or loss suffered by the Resident, his or her guests or invitees while they are in or about the Premises, the building in which the Premises are located, or on University property, except in the event of the University’s negligence;
- To use all reasonable efforts to ensure that shared common areas within the residences will be kept ordinarily tidy.

Any Resident(s) or their guest(s) found to be in violation of these Community Standards may be subject to eviction from the Premises.

The Resident agrees that this Agreement, when filled out and signed, is a binding legal obligation and all terms and conditions will be observed and followed.
