

STAFF PARKING GUIDELINES

GENERAL

For the convenience of those requiring parking on the Fort Garry Campus, parking and event day information is outlined below. Please note that all persons must pay for the privilege of parking on the campus during the day. This requirement is necessary because the parking system is entirely funded by revenue from parking fees.

PARKING SERVICES

If you have any queries concerning parking, please contact [Parking Services](#).

UNIVERSITY SECURITY SERVICES

If you have any queries concerning traffic regulations, please contact [University Security Services](#).

RESERVED (ASSIGNED) PARKING

All reserved parking on Campus is assigned by lot or area on a "scramble" basis (no assigned stalls). The various reserved staff areas are indicated on the parking map. When parking in these areas, staff must display valid parking permits for the designated lots during weekdays from 7:30 a.m. to 4:30 p.m.

Parking lots are sold to maximum capacity. Assignment to a specific lot does not imply that space will always be available. If your lot is full please park in the nearest staff or student lot and notify Parking Services immediately.

PARKING PERMITS

Parking permits are available through Parking Services and are valid for specific periods of time and only in the assigned area which is designated on the permit.

Hang tags must be clearly displayed, hanging from the rear-view mirror with lot name facing the front of the vehicle. The Vehicle must be parked within the numbered stall structure of the lot (no parking beyond or between rows or directly in front of posts). A staff member can only own one staff parking permit at a time.

REPLACEMENT PERMITS

If you are unable to display your permit, please report to Parking Services at the Welcome Centre on University Crescent for a temporary permit. Parking Services will provide up to three temporary permits in a 12 month period at no charge. A fee of \$5.00 will be charged for each additional temporary permit. Please note that only University of Manitoba permits will be honored; notes - handwritten or otherwise - are not valid permit replacements.

PERMIT PAYMENT CANCELLATION

Cancellation of a staff parking permit is final. If after cancelling your permit you would like to reapply, you are required to apply as a new staff member and we cannot guarantee the same parking lot or waitlist position (if applicable) as per your previous lot assignment.

Please visit the [Cancellation form](#) for more information.

VEHICLE UPDATES/CARPOOLS/ALTERNATE VEHICLES

Permit Holders updating their vehicle information or participating in carpools are required to complete a [Carpool/Alternate Vehicle form](#) and submit it to [Parking Services](#).

A new carpool form must be submitted to Parking Services each time a new permit is issued. The owner of an alternate vehicle or a member of a carpool must ensure that only one vehicle registered to the permit is in the assigned lot at any time. A permit is not transferable to a carpool member.

MOTORCYCLES AND BICYCLES

Motorcycles, motor scooters, and mopeds are considered as motor vehicles and require parking permits. Permits are available on a monthly basis and may be obtained through Parking Services. Bicycles do not require permits but should be parked at racks provided for this purpose.

SPECIAL PARKING (Accessible)

Special parking arrangements can be made for persons with physical disabilities. University of Manitoba Special Needs/Accessible Forms are required upon application. Please contact Parking Services for the necessary forms.
