The University of Manitoba - Student Parking Guidelines

GENERAL
For the convenience of those requiring parking on the Fort Garry Campus, parking and traffic information is outlined below. RESERVED (ASSIGNED) PARKING
All reserved parking on Campus is assigned by lot or area on a "scramble" basis (no assigned stalls). The various reserved student areas are indicated on the parking map. When parking in these areas, persons must display valid parking permits for the designated lots during weekdays from 7:30 a.m. to 4:30 p.m.

Parking lots are sold to maximum capacity. Assignment to a specific lot does not imply that space will always be available. If your lot is full please park in "U" or "Q" Lot and notify Parking Services immediately.

PARKING PERMITS
Parking permits are available only through Parking Services and are valid for specific periods of time. Permits must be clearly displayed in the windshield on the Driver's side of the vehicle - lower corner. Hangtags must be clearly displayed from the rear view mirror with lot name facing front of vehicle.

Permits must be completely visible from the exterior of the vehicle at all times.

STUDENT PERMITS
Student permits are effective from September 01 to April 30 (8 months) and are valid only in the assigned area which is designated on the permit. Vehicles must be parked within the numbered stall structure of the lot (no parking beyond or between rows or centered on posts).
Note: If you are unable to display your permit, please report to Parking Services at 423 University Crescent for a temporary permit. Only University of Manitoba permits will be honoured. Notes, handwritten or otherwise, are not recognized.

RESIDENCE STUDENT PERMITS
Once Parking Services has verified you residence student status, residence building, and are in receipt of the parking permit fee, a permit for a residence student parking lot will be assigned to you. Space permitting, every effort will be made to place you as close to your residence as possible.

When applying for residence parking, the vehicle that is going to be used must be a personal or family vehicle (i.e., belonging to your mother and/or father). The vehicle cannot belong to a sibling, friend or any other active student on campus.

REPLACEMENT PERMITS
Please contact Parking Services for the current permit replacement rate.
STATEMENT OF AGREEMENT
"In applying for the parking permit indicated on this parking application, you hereby agree to assume all responsibilities for the vehicles registered herein, to adhere to the University of Manitoba parking regulations as amended from time to time and authorized by the Board of Governors and to accept all the conditions contained therein."

TRANSFER OF OWNERSHIP
Transfer of ownership of a parking permit is prohibited. Any student found in possession of a parking permit acquired from any source other than Parking Services is subject to a fine of $250.00 and will be prohibited from parking a vehicle at the university for a period of up to 12 months. A breach of this latter provision would subject the person's motor vehicle to impoundment.

PARKING RATES/REFUNDS
Parking rates and refunds are pro-rated and refunds are available only when the permit is returned by the registered owner. If by September 1 you choose not to accept your parking assignment after making your advance payment in full, you may request and receive a refund of the parking permit fee paid, less a $50 administrative handling fee. Information on pro-rated fees and refunds is available from Parking Services.

ELECTRICAL OUTLETS
All reserved parking areas on campus are equipped with electrical outlets for winter use. Power supply to these outlets is dependent on climatic conditions and may be supplied on a cycle system.

SNOW STORM - PARKING GUIDELINES
Refer to our website (www.umanitoba.ca/parking) for parking lot clearing updates and parking procedures.

CAR POOLS / ALTERNATE VEHICLES
Persons participating in car pools or using alternate vehicles should contact Parking Services for instructions.
