Using iClicker in the Classroom (Students)

Students may be required to participate in class using iClicker, a classroom response system. Your instructor will advise you as to whether you need the iClicker Reef app (on a smartphone, tablet, or laptop), an iClicker remote, or either.

Instructors will use your iClicker account to synchronize your iClicker grade in UM Learn. If you already have an iClicker account, please do NOT create a new one. Duplicate iClicker accounts will prevent iClicker from synchronizing your grade in UM Learn.

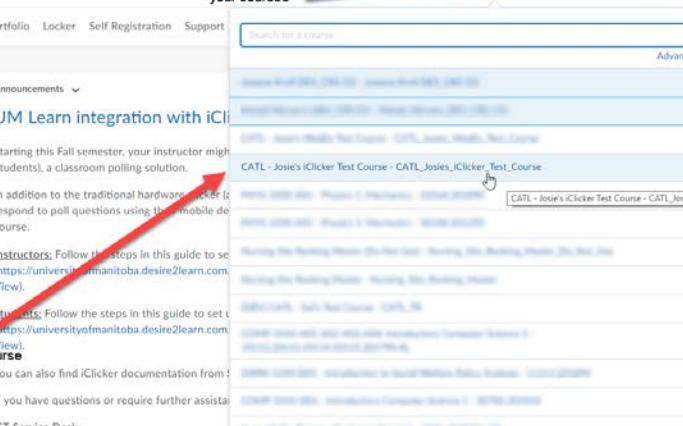

Follow the instructions to setup your iClicker account, whether you are a new iClicker user, you have used the iClicker app, or iClicker remote in the past. The next steps are for all students and should be repeated for each course that you are enrolled in (if iClicker is being used).

Instructions for ALL Students

1. Log in to your UM Learn account.

 A screenshot of a web browser showing the UM Learn login page. The URL in the address bar is https://umanitoba.ca/learn/lti/login. The page has a header with the University of Manitoba logo and the text 'UM Learn'. Below the header is a message: 'UM Learn is the University of Manitoba's Learning Management System. For login assistance, visit the UM Learn Resources Page or contact IST Service Desk at servicedesk@umanitoba.ca or (204) 671-8000.' There is a 'Privacy Statement' link. The main part of the page is a login form with fields for 'Username' and 'Password', and a 'Log In' button. At the bottom of the page is a small footer with the text '© Copyright 2013, Corporation. All rights reserved. All iClicker marks are trademarks of iClicker Corporation. Power and iClicker are trademarks for a set of iClicker marks.' and the 'EST. 1877' logo.

2. Select your course.

The screenshot shows the UM Learn interface with a sidebar on the left and a main content area on the right. The sidebar includes links for ePortfolio, Locker, Self Registration, and Support, along with an Announcements dropdown and a 'Select a course' dropdown. The main content area features a heading 'UM Learn integration with iClicker' and a text block for students. A red arrow points from the 'Select a course' dropdown to a list of courses on the right. Another red arrow points from the 'iClicker Test Course' link in the course list to a callout box. The callout box contains the text 'CATL - Josie's iClicker Test Course - CATL_Josie's iClicker_Test_Course' and a magnifying glass icon. The course list also includes 'CATL - Josie's Test Course - CATL_Josie's Test_Course' and other course entries.

UM Learn integration with iClicker

Starting this Fall semester, your instructor might use iClicker (formerly known as Clicker) to poll your class (Students). A classroom polling solution.

In addition to the traditional hardware iClicker (which you will need to purchase), you can also respond to poll questions using the mobile device you have with you.

Instructors: Follow these steps in this guide to set up iClicker for your course (https://umanitoba.desire2learn.com/View).

Students: Follow the steps in this guide to set up iClicker for your course (https://umanitoba.desire2learn.com/View).

3. Locate and click on the iClicker Registration link. The iClicker Registration link will redirect you to the iClicker Reef login page – **if you already have an iClicker Reef account, please do NOT create a new one.** Either log in with your existing account credentials or, if you do not have an account already, create one following the [Instructions for New iClicker Users](#) steps.

Note: Your instructor may have positioned iClicker Registration Link in a different location under the course. If your instructor is not using iClicker for the final grade, you will not find the iClicker Registration link in UM Learn.
