

INSTRUCTORS: HOW TO INSTALL ICLICKER CLOUD, CREATE ACCOUNT AND COURSES

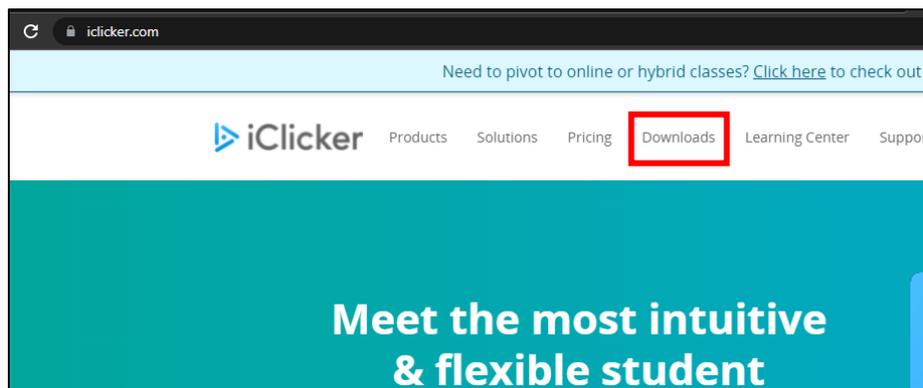

HOW TO INSTALL ICLICKER CLOUD, CREATE ACCOUNT AND COURSES

Students can participate in class using the iClicker Student app. Students can also use iClicker Student app on a smartphone, tablet, or use iClicker Student Web in a laptop. **The iClicker Student app is used by students to participate in the classroom while iClicker Cloud application is used by instructors to create courses and run poll questions.**

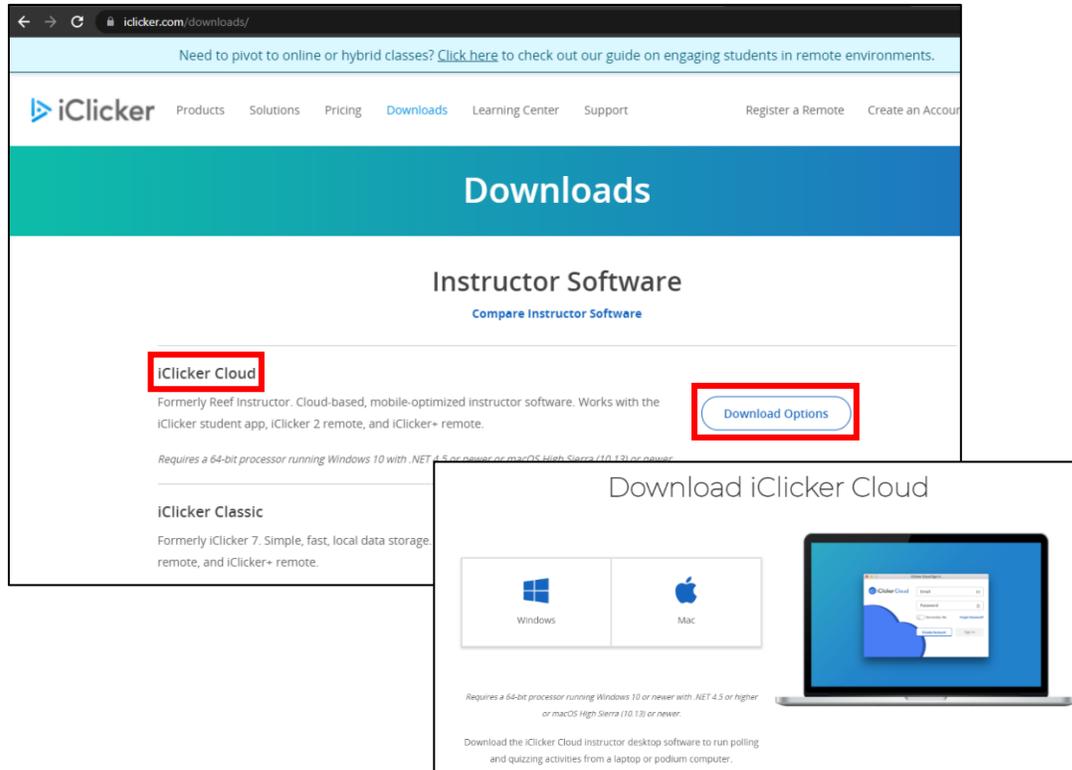

INSTALLING ICLICKER CLOUD

1. Go to <https://www.iclicker.com> and click **Downloads**.

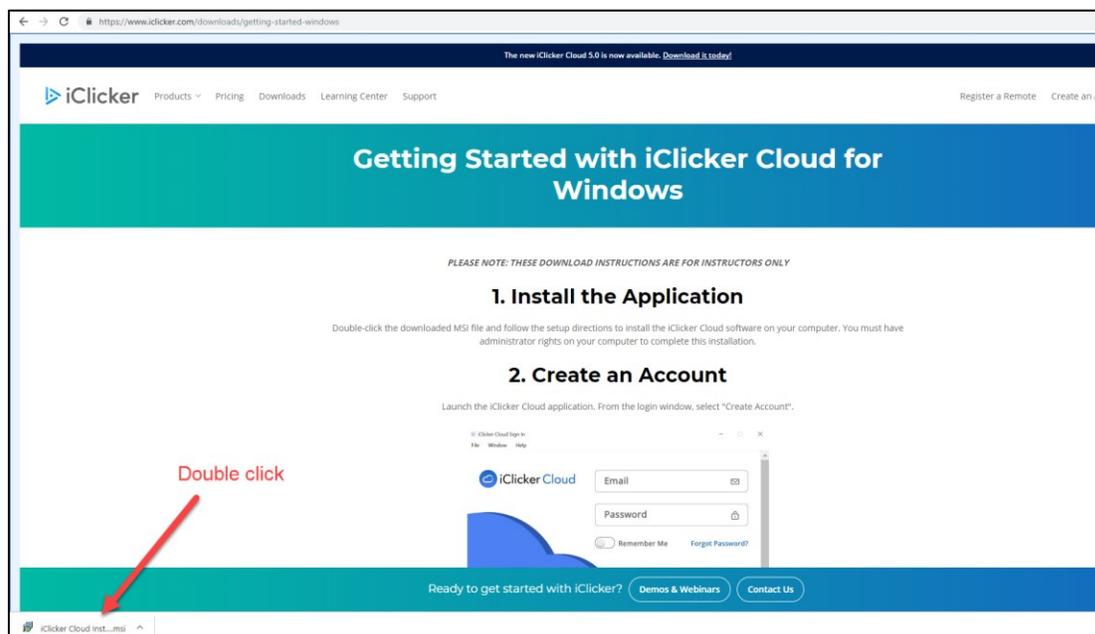

2. Select iClicker Cloud and click **Download Options**. Choose your operating system, either Windows or Mac.* *iClicker Cloud 5.x requires a 64-bit processor running Windows 10 or newer with .NET 4.5 or higher or MacOS High Sierra (10.13) or newer.*

The screenshot shows the iClicker website's 'Downloads' page. The 'iClicker Cloud' section is highlighted with a red box. Below it, the 'Download Options' button is also highlighted with a red box. The page includes navigation links like 'Products', 'Solutions', 'Pricing', 'Downloads', 'Learning Center', and 'Support'. A banner at the top reads 'Need to pivot to online or hybrid classes? Click here to check out our guide on engaging students in remote environments.'

3. Double click on the executable file to install iClicker and follow the prompts.

The screenshot shows the 'Getting Started with iClicker Cloud for Windows' page. It features a green header with the title and a blue sub-header. The main content area has a white background with blue accents. A red arrow points to the 'iClicker Cloud Inst...msi' file in the browser's download bar, with the text 'Double click' next to it. The page includes a 'PLEASE NOTE: THESE DOWNLOAD INSTRUCTIONS ARE FOR INSTRUCTORS ONLY' section, followed by two numbered steps: '1. Install the Application' and '2. Create an Account'. A login form is visible, with fields for 'Email' and 'Password', and buttons for 'Remember Me' and 'Forgot Password?'. The footer contains the text 'Ready to get started with iClicker?' and buttons for 'Demos & Webinars' and 'Contact Us'.

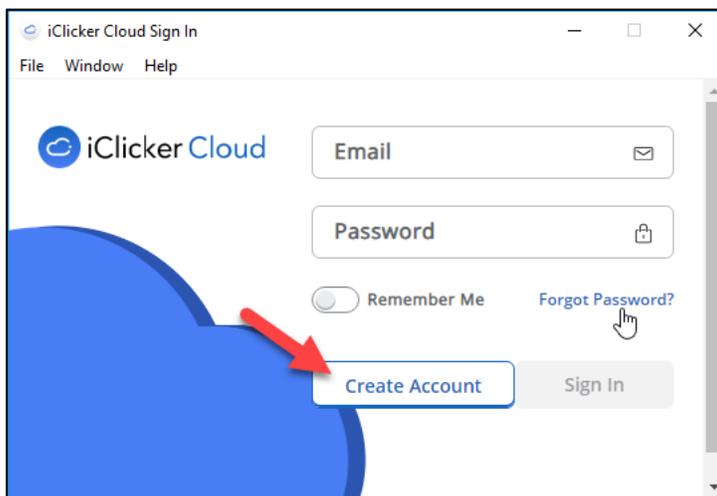

- Once you have downloaded and installed iClicker Cloud in your computer, open the application from the desktop.

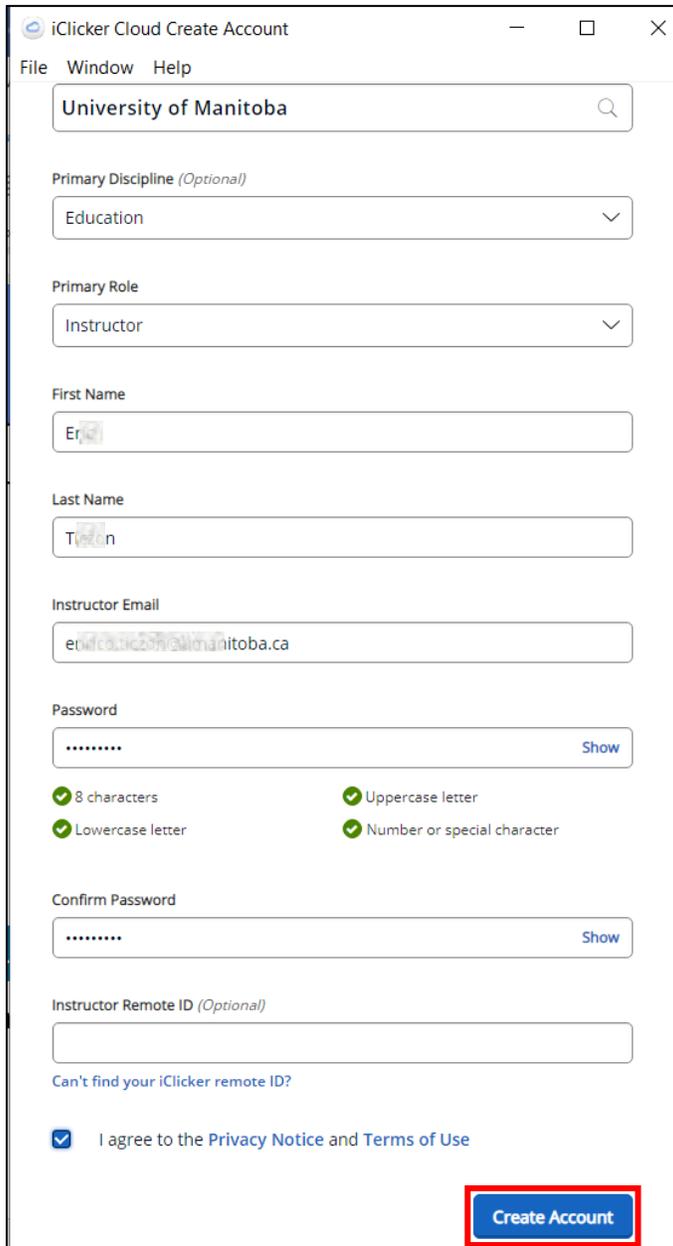

- If you already have an iClicker account, use your account to log in on your device, then go to **Step 5.3**. If you do not have an account, create an account using your staff email address (**Step 5.1**).

INSTRUCTIONS FOR NEW ICLICKER USERS

- If you do not have an iClicker account, click Create Account to create a new account.

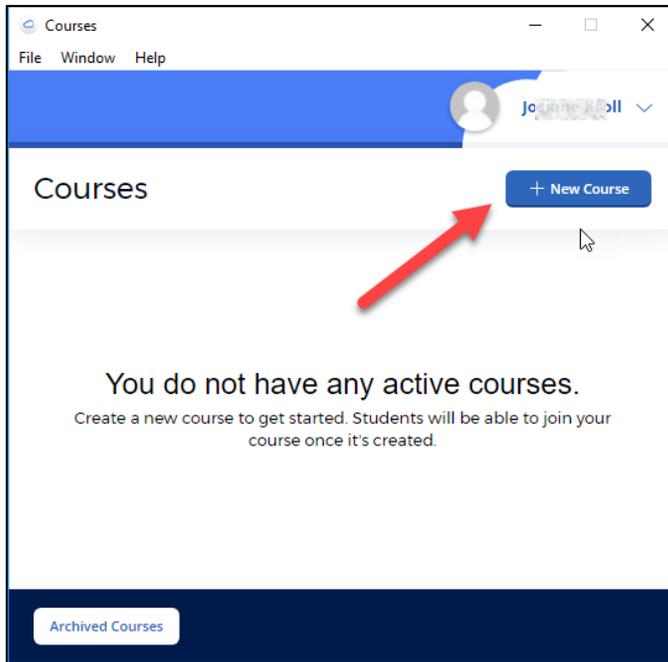

5.2. Complete the form and click **Create** to create your account.

The screenshot shows a web browser window titled "iClicker Cloud Create Account". The form includes the following fields and options:

- Organization:** A search bar containing "University of Manitoba".
- Primary Discipline (Optional):** A dropdown menu with "Education" selected.
- Primary Role:** A dropdown menu with "Instructor" selected.
- First Name:** A text input field containing "Er".
- Last Name:** A text input field containing "Tison".
- Instructor Email:** A text input field containing "er.tison@umanitoba.ca".
- Password:** A text input field with masked characters "....." and a "Show" button. Below it are four password requirements, all marked with green checkmarks:
 - 8 characters
 - Lowercase letter
 - Uppercase letter
 - Number or special character
- Confirm Password:** A text input field with masked characters "....." and a "Show" button.
- Instructor Remote ID (Optional):** An empty text input field.
- Link:** A blue link "Can't find your iClicker remote ID?".
- Agreement:** A checked checkbox followed by the text "I agree to the Privacy Notice and Terms of Use".
- Submit Button:** A blue button labeled "Create Account" with a red rectangular border around it.

5.3. Create your first course by clicking the **+ New Course** button.

5.4. Select **To Run Polls, Quizzes & Attendance**, fill out the form with the information about your course, and then click **Create**.
