POLICY PIZZA & A PINT

Understanding Political Leadership

Wednesday, February 25th, 2015 - 6:00 PM

In partnership with the Duff Roblin Professor of Government

LOCATION: Winnipeg Free Press News Café, 237 McDermot Ave.

SPEAKERS: Dr. David Stewart (Political Science, University of Calgary), Mr. Curtis Brown (Vice President, Probe Research Inc.), Dr. Kelly Saunders (Political Science, Brandon University) and Dr. Paul Thomas (Professor Emeritus, University of Manitoba) | **MODERATOR:** Dr. Shannon Sampert (Perspectives and Politics Editor, Winnipeg Free Press)

Over the last decade, governments across the country have seen their share of political leadership challenges. With the NDP Leadership Convention fast approaching, this Policy, Pizza & a Pint event will tackle the complexities of political leadership. What makes a good political leader? How does a leader bounce back from public mistakes? How is leadership change managed to allow for political party and government rejuvenation for their city, province, country and political party? Join us for a rousing and entertaining discussion!

The **Manitoba Institute for Policy Research** is based in the department of Political Studies in the Faculty of Arts at the University of Manitoba. The Institute furthers debates and discussions on matters of public policy, administration, and governance both in Manitoba and across the country. By engaging Manitobans and increasing access to policy experts in our community through the *Citizen Series*, MIPR hopes to enhance the quality of public discourse in the province.

\$10 buys you Pizza and a Pint. The Policy is free.
