## IMMIGRATION IN CANADA: CURRENT POLICIES AND FUTURE DIRECTIONS

Thursday, February 19<sup>th</sup>, 2015 – 7:00 PM

**LOCATION:** McNally Robinson Atrium, Grant Park Mall, 1120 Grant Ave.

**WITH:** Ms. Danielle Allard (Ph.D Candidate, Faculty of Information, University of Toronto), Mr. Wilf Falk (Chief Statistician, Manitoba Bureau of Statistics) and Mr. Ben Rempel (Assistant Deputy Minister, Immigration & Economic Opportunities Division, Department of Labour & Immigration).

**MODERATOR:** Dr. Andrea Rounce (Political Studies, University of Manitoba).

Canada has an extensive history of immigration. The challenges of managing immigration and the policies implemented to do so are scrutinized and often changed to reflect local, national and international factors. How have these policies impacted the Canada of today, while laying the groundwork for the Canada of tomorrow? Locally, what do these changes mean for Manitoba? As Canada becomes increasingly diverse, what do the challenges around immigration mean for policy makers, community organizations, and advocacy groups as we move further into 2015?

The Manitoba Institute for Policy Research is based in the Political Studies Department, in the Faculty of Arts at the University of Manitoba. The Institute seeks to improve public policy deliberations and capacity in Manitoba by initiating conversations and debate on current and emerging issues facing our province, by publishing original research, and by engaging with the post-secondary sector, citizens, governments and non-governmental organizations to support public policy dialogue in the broadest sense.

**Free event. All are welcome!**
