Hosted in Partnership with the Community Unemployed Help Centre Wednesday, June 10<sup>th</sup>, 2015 – 7:00 PM

**LOCATION:** McNally Robinson Atrium, Grant Park Mall, 1120 Grant Ave. **WITH:** Dr. David Camfield (Labour Studies & Sociology, University of Manitoba), Dr. Janice Compton (Economics, University of Manitoba) and Dr. Sid Frankel (Faculty of Social Work, University of Manitoba).

This year marks the 75th anniversary of the Employment Insurance program. Introduced after the Great Depression, this social program remains a pillar of Canada's social safety net. Since its introduction in 1940, Employment Insurance has gone through several evolutions and reforms. This Café Politique will examine the intent of the program and the reason for its continued existence, the economics behind the program, and the historical, current and future impacts of the program on the country.

The Manitoba Institute for Policy Research is based in the Political Studies Department, in the Faculty of Arts at the University of Manitoba. The Institute seeks to improve public policy deliberations and capacity in Manitoba by initiating conversations and debate on current and emerging issues facing our province, by publishing original research, and by engaging with the post-secondary sector, citizens, governments and nongovernmental organizations to support public policy dialogue in the broadest sense.

Free event. All are welcome!
