### MONDAY, OCTOBER 28, 2013 - 5:30 PM

### With Dr. Royce Koop and The Honourable James Allum

Join us as Dr. Royce Koop discusses the Senate, including where it fits, how it works and the potential future of this institution.

The Manitoba Institute for Policy Research is based in the department of Political Studies in the Faculty of Arts at the University of Manitoba. The institute furthers debates and discussion on matters of public policy, administration, and governance both in Manitoba and across the country. By engaging Manitobans and increasing access to policy experts in our community through the *Citizen Series*, the MIPR hopes to enhance the quality of public discourse in the province.
