CANADA'S CAPACITY TO INTERVENE: WHERE, WHY AND HOW MUCH?

WEDNESDAY, NOVEMBER 13, 2013 - 6:00 PM

With Dr. James Fergusson, Colonel Brad Baker and guests

Join us as Dr. James Ferguson, Colonel Brad Baker and guests discuss Canada's capacity to intervene internationally. They will look at what Canada can do, why it would want to do it and the costs and risks associated with foreign intervention.

The Manitoba Institute for Policy Research is based in the department of Political Studies in the Faculty of Arts at the University of Manitoba. The institute furthers debates and discussion on matters of public policy, administration, and governance both in Manitoba and across the country. By engaging Manitobans and increasing access to policy experts in our community through the *Citizen Series*, the MIPR hopes to enhance the quality of public discourse in the province.
