MESSAGE FROM THE OFFICE OF THE PRINCIPAL

St. Andrew’s College in Winnipeg is rejoicing at this beginning of the new Academic year as it welcomes a good group of eager theology students. This year we have 9 (nine) full-time Theology students and a similar number of part-time students. With your prayers, I am confident that soon there will be a number of worthy candidates for ordination in the Holy Ukrainian Orthodox Church.

We began the Academic year with a Moleben, praying for the students, staff and professors of St. Andrew’s College and also praying for all students who are entering the school system or continuing their academic programs this Fall. May God bless all with success and spiritual growth.

The success of our students and the maintenance of our faculties is only possible because of the generosity of our donors. So with sincere thanks for past support I appeal to you to be generous again this year.

Please:
- pray for St. Andrew’s College
- support this Fall Campaign; and
- encourage potential new students
