REPORT OF THE CHAIR
OF THE BOARD

DR. DENIS HLYNKA

The year 2017 is a commemorative year that marks 150 years since Canada became a country. That event is critical to the Ukrainian Canadian community, especially to the first pioneers who were encouraged by the Canadian government to help open the Canadian west. These pioneers from Western Ukraine, arrived in the land of the first nations indigenous peoples. Both groups, in their own way had in common an understanding of the land. We acknowledge the indigenous peoples and their significant role in the development of what was to become Canada.

2017 also marks 140 years since the founding of the University of Manitoba, the first University in western Canada.

Further, the next year, 2018, will mark 100 years of the beginnings of the Ukrainian Orthodox Church of Canada. Without the forming of the Church, there would be no St. Andrew’s College.

The year 2017 was also a successful year for St. Andrew’s College. The Board of Directors from across Canada, meets twice annually face-to-face for regular meetings, at St Andrew’s College. The semi-annual meeting is in June, while the annual general meeting is held in December. In addition, due to the diverse location of members from across Canada, regular committee meetings are held on an “as needed” basis, usually by teleconference.

The College, due to its staunch donors, has been able to stave off serious decline in funding, but we are always existing on the edges of a balanced budget. So far, with our endowments in hand, and continued support from our donors, we have been able to meet the challenge.

We have a first rate twenty member volunteer Board of Directors that has been especially resourceful in taking on the serious tasks to facilitate what is needed for the College to fulfill its Mission. It is not fair to single out individuals when the Board works so well together, each member contributing their unique talents, but it is appropriate to note that our Metropolitan and Chancellor, His Eminence Metropolitan YURIJ, has been especially prominent in the time he gives to our College. His cheerful presence and sound advice at every Board meeting is much appreciated.

We are also pleased to be an essential and visible part of the life of the University of Manitoba, a major goal of the College founders. We hold our position there with honour. University of Manitoba Faculty Association (UMFA) leases an area of one wing of the College (which brings in regular and guaranteed funding); the University Day Care is right next door and shares our parking lot; and our Dean, Fr. Roman Bozyk is a member of the University Senate.

Besides its Faculty of Theology, the College administration offers numerous programs, and special events, highlighted by a successful Mini-College program.

This year’s Inauguration opening exercises was held on Sunday, September 17, 2017. On this occasion, scholarships, bursaries and awards were presented to deserving students. The keynote speaker was Centre for Ukrainian Canadian Studies visiting research scholar, Dr. Olena Vdovyna, who is conducting research on Metropolitan Ilarion’s Medieval Studies.

In conclusion, our volunteer Board of Directors would like to express its thanks to all the College donors, friends, alumni, staff, students, and supporters.

DONATIONS NOTICE — MSBI MATCHING GRANT

The Manitoba Government is continuing the Manitoba Scholarship and Bursary Initiative MSBI for the remainder of this fiscal year - to February 15, 2018, albeit with some changes.

The Scholarship and Bursary Initiative was set up to promote donations for academic awards at Manitoba’s post-secondary institutions. The provincial government will now match gifts-donations for annual awards or spending allocations of existing trust and endowment funds in a 2 to 1 ratio (50% match) up to a maximum of the $38,000 total allocated for St. Andrew’s College for this year.

If you would like to make a bursary or scholarship award donation at St. Andrew’s College, your gift will be matched 50% by the Manitoba government.

I feel called by God to teach, to serve as Chaplain and to be the Dean of Theology but I would be the first to welcome a new person in the office of the Principal.

I must again emphasize that the only way I have been able to effectively function as Acting Principal, along with all of the other duties that I have, is that St. Andrew's College is blessed with a very hard-working, competent and dedicated administrative and support staff, and I sincerely thank them for their commitment.

J. G. Janitorial Services continue to provide efficient janitorial services to St. Andrew’s College. The College engaged St. Andrew’s Catering for the year 2016 - 2017. We are very happy with their superior service. It is known all over the University of Manitoba that St. Andrew’s College has the best food on campus.

Our annual 3 week *Mini-College* Ukrainian summer day camp for children ages 6-13, was very successful with an enrollment of 93 students. Thank you to our awesome Program Co-ordinator, Ulyana Statkevych, and the dedicated 2017 staff.

St. Andrew’s College summer student employees Oryanna Maximiuk, Ivan Zhovnych, Taras Chuprovskyi, Vasyl Kobrii and Oleh Romanyna creatively and energetically worked on grounds and property maintenance, assisted with our Mini -College Program, and provided varied general assistance wherever and whenever the need arose. We wish them all the best in their studies and future endeavors.

This has been a challenging year for the College financially, but good stewardship and fiscal planning, the stable income generated by the students and residence, the continued generosity of our donors and income from the St. Andrew’s
College Foundation have enabled the College to continue its good work and have a balanced budget. We will also strive for a balanced budget again next year.

St. Andrew’s College continues to host, support and make the College facilities available to many community, Ukrainian, Orthodox, Centre for Ukrainian Canadian Studies, and University of Manitoba events, speakers and visitors.

*St. Andrew’s College engages many of these various communities:*

- Ukrainian Canadian organizations at the College: Ukrainian Women’s Association of Canada - Союз Українських Канадян, Ukrainian Self Reliance League - Союз Українців Самостійників, Manitoba University Ukrainian Canadian Students Society, Child and Youth Programs Mini - College, make concerted efforts to reach out to the 4th Wave Ukrainian Community
- Manitoba Parents for Ukrainian Education Grade 6 Language Camp
- Provide Housing and a venue for Visitors from Ukraine
- Orthodox Bible Study Group
- Coptic Orthodox Parish Sunday School Teachers and Youth Workshops
- Student Council activities
- 6 week Practicum Training Placement for MITT (Manitoba Institute of Trades and Technology)
- IEP - Intensive English Program for students from around the world (Brazil, Japan, China, Ukraine, …)
- ICM - International College of Manitoba
- Annual Group of Slovenian Masters Students
- U of M Information Days, Evening of Excellence and Student Orientation events
- Residence students from all across Canada and from Ukraine and many other countries. The Residence is full year-round
- U of M Head Start (Residences Presentation)
- Manitoba Conservation Training Group
- Stadium Game Day Parking which provides income but is also an opportunity for PR and community outreach (thank you to Mr. Paul Lasko for all his efforts)

Many of these contacts with the broader community help us balance the budget but also bring other benefits and opportunities to expand knowledge about the College, our Church, Ukraine and Ukrainian Canadians.

A great deal of administrative and support staff time is spent on preparing and delivering College reports (among others, to the Full Consistory Board and to the 3 Eparchies of our Church).

Likewise, the staff members prepare a regular page, or pages, in Вісник/The Herald, two Newsletters and a Christmas Card appeal each year (financial campaigns).

A special effort is made to keep up to date with events in Ukraine and in Canada especially in the Ukrainian-Canadian community. We strive to maintain and teach the religious and cultural traditions of our community by inviting students to the Ukrainian Christmas Eve dinner, the Feast of Jordan, Easter Breakfast, Christmas vertep and caroling as well as with seminars, displays, films, and workshops (such as pysanka writing)

I would like to express my gratitude to the Chair Dr. Denis Hlynka and Members of the Board of Directors for their trust and support and for their unwavering commitment to the mission of St. Andrew's College, and to the Faculty of Theology, the Library and support staff for their hard work, dedication and professionalism. Thank you to the donors and benefactors who support the College with their gifts and prayers, and to the members of the Order of St. Andrew for their continuing support.

I sincerely thank the leaders of the Ukrainian Orthodox Church of Canada, especially our Chancellor His Eminence Metropolitan YURIJ for his support, wisdom and advice, and V. Rev. Fr. Taras Udod, Chancellor of the Ukrainian Orthodox Church of Canada for his helpful and willing co-operation.

Метою табору було зацікавити якнайбільше дітей до вивчення української мови, культури та традицій українського народу. Програму було організовано так, щоб дітям було цікаво, щоб вони навчились чогось нового, розкрили свої здібності і таланти та гарно відпочили.

Цьогорічна тема була “Підорожуємо Україною”. Діти мали змогу ознайомитись з багатою культурою, визначними місцями та пам'ятками України, її захоплюючою історією та чарівою природою. Навчальна програма включала вивчення української мови через широку різноманітність діяльностей: ігри, лекції про культуру та історію України, ручні роботи, українські народні танці, уроки української мови, а також екскурсії. В кінці програми кожна дитина отримала спеціально підготовлені посібники та подарунки, а також вироби, створені власними руками на уроках мистецтва. Нові враження та емоції переповнювали дітей. Протягом трьох тижнів учасники програми відвідали Investors Group Field, Thunder Rapids, Assiniboine Park Conservatory, Leo Mol Garden, Boonstra Farms, і Fun Mountain.

Від імені Колегії Св. Андрея висловлюємо щиро подяку Фундації СУС за фінансову допомогу, яку вони щороку щедро надають нам для проведення програми.

St. Andrew’s College conducted a very successful three week “Mini-College 2017” program this Summer from July 17th to August 4th for over 90 energetic children between the ages of 6 and 13. The fun and educational Program was prepared and implemented by: Director - Dobr. Genia Bozyk, Program Co-ordinator – Ulyana Statkevych, Instructors: Oryanna Maximiu, Sofiya Tsenova, Roman Demchyn, Ivan Zhovnych, Oleh Romanyna, Vasyl Kobry, Taras Chuprovsky, and volunteers Sasha Tiaglei and Taras Fedus. Ihor Drahun, a guest artist, helped the children to discover and demonstrate their creative potential in different art projects by using his artistic ideas.

The main goal of “Mini-College 2017” was to encourage children to study the Ukrainian language, culture and traditions of Ukraine by providing a fun learning environment.

The theme for this year was “Tourism in Ukraine”. Children had an opportunity to learn about the rich Ukrainian culture, captivating the history and enchanting geography which make Ukraine a very popular place for tourists from all over the globe. Programming included Ukrainian language development skills through a wide variety of activities including vocabulary enhancements, arts and crafts, Ukrainian national songs and dances, sports, games and excursions. At the end of the program, each child received specially prepared booklets and gifts as well as the art projects they made during their arts and crafts classes. Also, “Mini-College 2017” participants enjoyed excursions to Investors Group Field, Thunder Rapids, Assiniboine Park Conservatory, Leo Mol Garden, Boonstra Farms, and Fun Mountain.

Thank you to the SUS Foundation of Canada for their continued financial support for the “Mini-College” Programs of St. Andrew's College.
The St. Andrew's College Library is a respected source of knowledge utilized by students of Theology, the Centre for Ukrainian Canadian Studies, the University of Manitoba, as well as those interested in Orthodox and Eastern Christian Theology. Our Library is open to members of the Ukrainian community, researchers and academics from around the world. One such academic is Dr. Olena Vdovyna, a visiting research scholar at the Centre for Ukrainian Canadian Studies, whose current focus is on Ivan Ohienko and his Medieval Ukrainian Studies.

During this reporting period, along with routine duties dealing with library patrons and publishers, ordering and cataloguing acquisitions, and physical maintenance of the library and its holdings, the library staff also undertook the following very important projects:

- During the summer months, with the assistance of Theology Student Ivan Zhovnych, an important project was completed— the organization of the collections of journals and newspapers, which were held in the wooden cupboards lining the walls of the basement multipurpose room. Upon completion of the next phase of this project we will have an inventory catalogue as well the capability to offer some of our journals and newspapers online.

- We are proceeding, as time allows, with an ongoing earlier project - a compilation and cataloguing of our duplicates holdings.

- The library staff regularly prepare thematic showcase displays which exemplify the life and traditions of the Ukrainian people.

- Library staff members participate in the many organized St. Andrew's College activities.

Кожного місяця під час академічного року студенти Богослов’я спільно із місцевими священиками відвідують будинок для людей похилого віку у Вінніпезі. Вони також намагаються брати активну участь у різноманітних проектах, організованих Студентською Радою Колегії або ж Асоціацією українських студентів при Університеті Манітобі.

Як Декан Богословського Факультету я мав нагоду звітувати на кожній Єпархіальній Асамблеї нашої Церкви. А саме: у Саскатуні, в Едмонтоні й в Торонто. А також, мав велику приємність дати доповідь на семінарах у Вінніпезі, Трансконі, Львові, Едмонтоні та у Саскатуні. Я щиро дякую усім за запрошення.

Дякую Високопреосвященнішому Митрополитові ЙОРИЄВІ за поради і благословення.

Також, щиро дякую Голові Дирекції, д-ру Денисові Глінці, усім членам Дирекції Колегії Св. Андрея, академічному та адміністративному персоналу та усім жертвовачам Колегії Святого Андрея.

Our Lord Jesus Christ has blessed the Faculty of Theology of St. Andrew’s College this year with a good pious cohort of students. With your prayers and support, I believe that soon they will be very good candidates for ordination in our Holy Church.

If you know someone who would be a good candidate for service in the Church, please encourage them to study Theology at St. Andrew’s College. Provide me with their name and contact information, and I will be happy to contact them directly.

The students of Theology, during the last academic year, along with local clergy, have monthly visited a senior care home in Winnipeg. The students of Theology endeavor to participate and support the activities of the St. Andrew’s College Resident student Council and the Ukrainian Student Association of the University of Manitoba.

As Dean of Theology, I had the opportunity to report at each Eparchial Assembly of our Church i.e. in Saskatoon, Edmonton, and in Toronto. Also I had the pleasure of preparing lectures or seminars to be given in Winnipeg, Transcona, Lviv, Edmonton, and Saskatoon. I sincerely thank all who made these visits possible.

Thank you to His Eminence Metropolitan YURIJ, Chancellor of St. Andrew's College for his advice and support.

Sincere thank you to the Chair of the Board of Directors, Dr. Denis Hlynka, all the Members of the Board of Directors of St. Andrew's College, the academic and administrative staff and, of course, to the many supporters and donors of St. Andrew's College.
