March 2007

I am very pleased to present the report of the activities of St John's College for 2006. It is very interesting to look at the activities of a year and to reflect on those elements that can be considered representative. So much of the mission of St John's College is to provide a stimulating and supportive intellectual community for our students, faculty, alumni and friends. Thus it is against this background of an extremely high standard of service, of achievement and of engagement, that I put forward a few highlights.

We celebrated our 140<sup>th</sup> birthday this year. On November 1<sup>st</sup>, which is the actual day of our founding, we hosted a wonderful event which coincided with the launch of Dr Jack Bumsted's book on the history of the college, "St John's College: Faith and Education in Western Canada". Dr Bumsted who is, of course, a longstanding fellow, has developed a thesis of St John's College as an educational institution that has survived numerous trials and setbacks by reinventing itself and by finding creative new ways to carry on its mission. Our story is a fascinating one and we are truly fortunate to have had this opportunity to have it presented.

We were very pleased to receive a pledge of \$500,000 from Mr. Robert B. Schultz for our proposed new lecture theatre. This gift allowed us to move forward to finalize the designs and begin the tender process. This project has been in the works for a number of years and it has attracted literally thousands of donations from our loyal supporters. It is very exciting that, through this generous gift, we have been able to proceed to the next phase.

We have observed another milestone in the Faculty of Theology this year with the graduation of our first two students in the Certificate in Priestly Ministry program. In addition, we graduated a second class of Diploma in Applied Theology students. Our alumni and current students come from widely differing backgrounds and have many different ideas of how they would like to develop their ministries – with ordination being only one form of ministry that is being contemplated. The common thread amongst our students is their enthusiasm for their studies and their acknowledgment of having learned and developed significantly through this experience.

We have been very pleased this year to have welcomed a number of new Fellows, including a second Canada Research Chair. These new Fellows show every indication of following in the footsteps of those already here in being some of the most productive and accomplished scholars and researchers and some of the finest teachers on the University of Manitoba faculty. The list of publications, creative works and awards is truly remarkable.

I have very much enjoyed working with the Fellows, staff and students over the past year to accomplish so much. St John's College has been blessed with a noble mission and wonderful people who truly believe in these goals and aspirations. All of our community has been unstinting in its commitment to the spiritual, intellectual and social life of St John's College and to helping our students receive a first rate education. I look forward to another great year in 2007.

Janet A. Hoskins, Ph.D.  
Warden and Vice-Chancellor

**1. Introduction**

The Annual Report of St John's College is a document that endeavours to provide an official record of the relevant statistics and changes of the College for the year. However, it is also written in an effort to capture the growth, achievements, events, and unique character of St John's. The officer or staff member responsible for an activity has prepared each section and, as such, some of the personalities of these individuals are present. In the belief that a great deal of the success of the College is attributable to the personal commitment of these people to St John's, every effort has been made to maintain this personal perspective while, at the same time, presenting a cohesive chronicle of our activities.

The Dean of Studies also hosted a reception for award recipients, student council members, Fellows, and staff on November 1. Award certificates were presented to

recipients at the College Convocation on November 5. Recipients and award donors had an opportunity to meet earlier in the day at the Convocation lunch.

**(c) General Recruitment**

The College mounted displays at the following recruiting events: the University of Manitoba Info Days, the University of Manitoba Parents' Program, and the University of Manitoba's Evening of Excellence. The College created a "St John's College" section in an information binder that Enrolment Services handed out to high school counsellors at the U of M Guidance Counsellors Seminar in 2005. In 2006 we submitted an up-to-date insert which was distributed at the 2006 Guidance Counselors Seminar. We revised our College information booklet and ordered more pens.

**(d) Orientation**

The College offered a 24-hour orientation event called "JumpStart". The event was planned and run by College students in consultation with the Chaplain/Dean of Residence and the Registrar. The cost of JumpStart was \$42.00 per person and included one night in Residence and meals and snacks. The students participated in icebreaker sessions, bowling, a bonfire, a photo safari (scavenger hunt) and an information session. Fifteen students registered for JumpStart this year. Our Dons' team and the ten student leaders who offered their time and commitment to the new students contributed greatly to the success of JumpStart, which has become the flagship of student-driven events at the College. Many thanks must go to Senior Stick Patrick McLenehan and the team for a job very well done.

**(e) Student Life**

Following elections held in March 2006, the St John's College Students' Association for 2006-2007 had the following membership: Senior Stick, Patrick McLenehan; Vice-Stick, Ashley MacKenzie; Treasurer, Tolulope Sodeyi; UMSU Rep., Freda Howell; Chairperson, Yvanna Buchanan; Communications Director, Nicole Lumgair; Literary Director, Gerard Duncan; Programming Directors, Melissa Hoft and Alyssa Dyck; Assembly Rep., Laurie Anne Vermette; Secretary, Mandy Mou; First-year Reps. (day student), Margaret Eve MacKinnon and (Res. Student), Mandy Einarson; Religious Affairs Rep., Christine Reinfort; Yearbook Editor, Stephanie Lambert; Student Services Director, Sarah Keating; and Sports Rep., Neil Bailey.

The annual "End-of-Term" and "Opening-of-Term" barbeques were well attended by both day and Residence students, faculty, and staff. At the "End-of-Term" barbeque,

River Boat Cruise L - R: Katrina Froese, Darryl Behrmann and Gerard Duncan

the St John's College Students' Association handed out the St John's College Students' Association Awards as well as J-pins and sports crests. Various events were held during the year such as the annual boat cruise, the Michaelmas Soccer Game, the Snowbowl (mid-winter soccer game), socials, a talent show coffee house, movie days, the winter and spring Residents' banquets, and the SJCSA Graduation dinner and dance.

The 2006 graduation dinner and dance was held at Bergman's on Lombard in March. Programming Director Carla White, along with Student Council, did a great job of planning and promoting the event. Valedictorian Breanne Reinfort gave a heartfelt valedictory speech.

The St John's College Students' Association established the SJCSA Fellow of the Year award in the spring of 2003 as an expression of their gratitude for all the work the Fellows do on their behalf. The Award is given to a Fellow of the College who demonstrates excellence in teaching and research, and who makes a demonstrable commitment to bettering the welfare of students of the College. The SJCSA maintains a plaque that lists the names of the award recipients. The fourth annual award was presented to Dr Brenda Cantelo (Religion).

**(f) Residence**

**Winter Term (January through April 2006)**

The Residence Leadership Team members for Winter Term (Jan. through April 2006) were Jacinthe Blab Anderson, Senior Don; Brett Madill, Tolu Sodeyi and Maya Cochrane, Residence Dons; Julie Perepeluk and Heather Bartley, Co-Presidents of the Residence Students' Association; and Julio Ramirez, the International Student Representative. We had a good mix of International (18) and Canadian students.

Thanks to the Residence Students' Association (RSA), we had a very good year. Elected students were: Julie Perepeluk and Heather Bartley, Co-Presidents; Patrick McLenehan and Mitchell Anderson, Co-Programmers; Julia Sanderson, Assistant Programmer; Blair Hamm (1<sup>st</sup> Term) and Harley Shepherd (2<sup>nd</sup> Term), Director of Communication; Mao Hu, Director of Finance, Treasurer; Conrad Ma, Chairperson; Ted Klassen, Yearbook Director; and Hall Representatives Mike Fehr, Willie Bell, Cynthia Gagnon, Jared Allen, Shane Wruth, Renée Alexander and Catherine Closson. This year's RSA did a very fine job of organizing social activities and managing the finances.

The winter term cycle of residence events included intramural sports and social activities. On St Valentine's Day many residents delivered "candygrams" and chocolate treats to their friends. The residents played the annual Snowbowl in the Quad, with the upper floor against the lower floors in a fun game of soccer. Because of the deep snow, players are allowed to use their hands. The residence banquet had the theme "A Night at the Oscars... On a Budget". Students came dressed as their favourite movie star or movie character, before they became famous.

**Residence Recruitment**

Representatives of the College attended Info Days at the University on February 14 – 15, the Parents' Program on June 3, and Evening of Excellence October 17, 2006. The College had a booth at these events, and staff members met with prospective students and their parents. The Parents' Program took place at the Investors Group Athletic Centre. There were approximately 1,200 parents and students in attendance.

**Fall Term (From April to December 2006)**

The Residence Leadership Team members for Fall Term were Heather Bartley, Senior Don; Brett Madill, Tolu Sodeyi and Carleigh Malanik, Junior Dons; Renée Alexander and Elizabeth Holding, Co-Presidents of the Residence Students' Association; and Mandy Mou, International Student Representative.

Training for the Residence Leadership Team has been enhanced. The Residence Dons, the International Student Representative (ISR) and the Co-Presidents of the Residence Students' Association were all given Non-Violent Crisis Intervention training. The Residence Dons joined with the Residence Associates from U of M Housing and Student Life for five days of training. Seminar topics included Non-Violent Crisis Intervention, Respectful Environment, University Fire and Emergency procedures, Dealing with Sexual Assault, Suicide Awareness and Prevention, and Helping Students in Distress. This was followed by our annual retreat to a cabin on Breezy Point. This is the third year that we have an International Student Representative on the Dons' Team. This student's job is to help integrate the international students into residence and community life. The international students are meeting at least once per month with the ISR.

We had 100 residents, with 96 single rooms, two single apartments and a two-bedroom apartment. One of the students in an apartment has opted for the meal plan. We were at capacity, but we had two students who were with us for one term only. We lost two residence students who withdrew from University this term.

We had a large number of international students (34). This number included 16 Intensive English Program students. This year we had 44 returning students, which was an increase from the previous year (37).

Community spirit has been very high this year. We have joined with Housing and Student Life in a number of residence events through the Spirit Cup competition. The Fall Banquet and House Meeting attendance was excellent. Based on the number of students who signed up, interest in sports and intramural events is the highest in recent years.

#### **Spirit Cup**

For the first time, the residence students competed with students from the other University Residences for the Spirit Cup. Students attended Bisons sports games and participated in other activities. Points are awarded for participation and attendance. Jason Mintenko did an excellent job as our organizer for these events.

### **3. Conferences**

The conference season got off to a fast start in the spring of 2006 with the arrival of Team Canada Volleyball, and the Woodcarvers group, which we host every year. Then beginning in May we had a large number of international students return to our Residence, through the Intensive English Program, and they accounted for approximately 75% of our business. The other vacancies were taken by regular summer students, a math camp, and other smaller groups. Overall it was an extremely successful conference year – revenue targets were met, expenses were kept within the budget, and our occupancy rate was close to 100% for the whole summer.

### **4. Academic Staff**

In 2006, there were 42 Fellows, including the Warden, Dean of Studies, Dean of Theology, Director of the Institute of Anglican Ministry, an Associate Dean of the Faculty of Arts, the Executive Director for International Relations at the U of M, and three Department Heads of the Faculty of Arts (History, Icelandic, and Religion).

Fellows are situated in the St John's College Faculty of Theology (2) and six faculties and schools of the University of Manitoba: Art (1), Arts (29), Education (1), Music (1), Clayton H. Riddell Faculty of Environment, Earth and Resources (3), and Science (5).

Within the faculties, a number of departments are represented by the SJC Fellows: *Arts* – Anthropology, Economics, English, French, History, Icelandic, Native Studies, Political Studies, Philosophy, Religion and Sociology; *Clayton H. Riddell Faculty of Environment* – Geography; *Science* – Chemistry, Computer Science and Mathematics.

Senior Fellows David Arnason, Gerald Friesen, Derek Hum, Mary Kinnear, Struan Sinclair and Robert Thomas were on leave for all or part of the 2006 year.

Assembly elected Laurence Broadhurst (Religion), Brenda Cantelo (Religion) and Kurt Markstrom (Music) as Senior Fellows. In addition the following members were elected as Fellows for the 2006-2007 academic year, namely: Visiting Fellows – Mary Benbow (Environment Geography), Diana Brydon (English – Canadian Research Chair in Globalization and Cultural Studies), Bonnie Hallman (Environment Geography), W. Reg Horne (Canadian Studies), Esyllt Jones (History – beginning in January 2007), Robert Kroetsch (Retired professor emeritus of English), and Peter Penner (Mathematics); Junior Fellows – Kent Fowler (Anthropology), and Kira Tomsons (Philosophy); Research Fellows – Ryan Eyford (History) and Mary Jane McCallum (History). Assembly invited two Guests, Peter Aitchison (Mathematics) and David Punter (Botany) to share in the life of the College.

During the 2006-2007 academic year, the College took the extraordinary step of permitting two fellows, Barbara Payne (Sociology) and Lance Roberts (Sociology), to move temporarily out of their offices in the College in order for them to administer the large research programs for which they are responsible.

College life continues to be enhanced by the ongoing active presence of a number of Retired Fellows: Francis Carroll (History), Tom Holens (Mathematics), John Kendle (History), Anthony Waterman (Economics).

A brief survey of the Academic Awards and Publications of the College Fellows demonstrates the lively intellectual atmosphere that the College provides, as well as the variety of issues and subjects under scholarly scrutiny. The following lists present only a portion of the Fellows' work, largely in the area of publishing (both creative and academic) and reflects little of the ongoing teaching responsibilities in which Fellows continue to be recognized for their outstanding contributions to student learning.

Iain has been at St John's since July of 1999, and we wish him all the best in the future.

#### **6. Academic Programs Undergraduate Courses**

Beginning in 2004, the College has attempted to develop a cohort of undergraduate students who make the College their academic home, and take the majority of their courses with College Fellows. For the convenience of University 1 students, we have outlined four timetables of courses available in the College. Two of these timetables were organized around the courses required for entrance to the professional faculties of Medicine, Dentistry, Pharmacy and Engineering. The other two have a bias toward Canadian Studies.

Some of the courses in these timetables are offered at the College with financial support from the Vice-President (Academic) and Provost. This year financial support was given to the departments of Biology, Chemistry, Psychology and Physics to provide introductory classes at the College. Other first year College offerings included courses in Asian Studies, Canadian Studies, Economics, English, French, German, History, Mathematics, Philosophy, Religion, Sociology, Spanish, and Ukrainian.

The College remains committed to promoting a variety of Arts and Science courses for students within the College because, over time, this will promote the intimacy and collegiality among students that is core to our mission as a small college in the larger institutional university.

The University of Manitoba implemented its new registration system, Aurora, over the summer. St John's College members were offered the opportunity to advance register in courses held in the College and corresponding lab sections held outside the College. Since the changeover to Aurora happened very close to registration time, most members did not receive notice of the opportunity for advanced registration in time to take advantage of the service. Despite the lack of notice, 16 students took advantage of the advanced registration. Two of these students were able to take their full course load in the College (with corresponding labs outside the College). Thirty-seven percent of the courses that students registered in were Arts courses and 63% were Science courses. It is our hope that next year more students will take advantage of this benefit of membership.

### **Centre for Canadian Studies**

In the 1970 agreement between the University and the Colleges, St John's was to select an area of emphasis in its academic programme: the College chose Canadian Studies. Since then, as far as possible, the College has sought to elect Fellows with an interest in the area. Of the current College Fellows, 21 have maintained an active presence in the area, as evidenced by their participation in conferences and publications, a partial list of which is included in this report.

As the 1970 agreement is currently interpreted, the College cannot on its own teach Canadian Studies: the undergraduate program must be housed and coordinated through a Faculty of the University. Canadian Studies is therefore a program of the Faculty of Arts.

At the graduate and non-curricular level, the College has been sponsoring, at two-year intervals, a graduate student conference focussing on Canadian Studies. "Canada's North: Whose North? A Graduate Student Colloquium" was held at St John's College on Saturday, 11 March 2006. This initiative of Canadian Studies/SJC attracted over 50 people, including graduate and undergraduate students, faculty and the general public. The event was sponsored by the Winnipeg Foundation, St John's College and the University of Manitoba Press.

The keynote address, "When the People That Should Matter Most in Development Don't Matter: Consequences," was delivered by Chief Ovide Mercredi, Grand Rapids First Nation, the former National Chief of the Assembly of First Nations. Later in the day, a lunchtime presentation was offered by Aboriginal Storyteller William Dumas, "'Entonamak Minoyawin': Searching for Balance/Wellness".

Eleven graduate students from the University of Manitoba and from the Royal Military College of Canada, respectively, profiled their research on a variety of subjects that included: "Safekeeping of the Wemindjii Cree Relationship to the Land: A Culturally Appropriate Protected Area in the Eastern James Bay, Quebec"; "Improving Nutrition and Health: The Perspectives of First Nations Youth and Adults"; "Youth Perspectives on Environmental Change in Churchill, Manitoba"; "Northern Fights? Canada-US Relations in the Post-Polar Sea Era"; and "Situating the Community in Off-Campus University Programs in Northern Manitoba: A Narrative Reflection on the Role of Community Coordinators in Community-Based Post-Secondary Education."

The Proceedings from the colloquium will be assembled under the editorship of Dr Denise Fuchs, History, The University of Manitoba.

The steering committee for the colloquium was struck with graduate students and faculty from both the University of Manitoba and the University of Winnipeg: Dr Jennifer Brown (History, University of Winnipeg), Lesley Cowan (Faculty Assistant, St John's

College), Dr Denise Fuchs (History, University of Manitoba), Ramona Neckoway (Native Studies, University of Manitoba), Krista Pilz (Graduate Student, University of Manitoba), Scott Stephen (History graduate student, University of Winnipeg), Dr Christopher Trott (Native Studies, University of Manitoba) and Dr Kathryn Young, (chair of Canadian Studies, University of Manitoba).

At three-year intervals the College has sponsored a major national and international conference on the Prairies. The next conference will be held in 2007. Planning is already underway for the Fourth Prairie Conference called "The Prairies in 3-D: Disorientations, Diversities, Dispersals." College Fellow Len Kuffert has also spent the year working on the proceedings of the previous Prairie Conference, "The Prairies: Lost and Found", to be published by the University of Manitoba Press.

The College has developed an extensive art collection, primarily through donations from the artists. The primary commitment is to collect contemporary Manitoba, Prairie Region, and Aboriginal art as well as works of quality from the Canadian historic period. The art collection at St John's College is a visible collection, hung in offices, classrooms, and public areas. Most of the works in the College have been permanently installed. The College also provides a gallery space, the Quiet Room Gallery, and often holds four exhibitions during the academic year.

The library holdings of the College have a focus on Canadian literature, history and politics in both English and French. The major collection of French-Canadian literature at the University of Manitoba is centered at St John's College.

## **7. Faculty of Theology**

This has been a significant year for the Faculty of Theology as it continues its work of academic development and ministry support.

1. The work of the Faculty of Theology continues to be divided between the Institute for Anglican Ministry (IAM), the Diploma in Applied Theology, and the Advanced Certificate. The 2005-06 academic year had a total of 6 students in the Diploma, and 11 Special Students. The 2006-07 Fall term concluded with 7 students enrolled in the Diploma (one auditing), 1 in the Advanced Certificate, and 13 Special Students (taking a combination of 11 courses). This is the second year we have enrolled students in the Advanced Certificate.
2. November convocation saw three students graduate with the Diploma in Applied Theology and our first two students graduate with the Advanced Certificate in Priestly Ministry. This represents a significant contribution to the life and ministry of the Diocese of Rupert's Land as all our graduates are actively engaged in ministry.
3. The Faculty of Theology web page is found at:  
[http://www.umanitoba.ca/colleges/st\\_johns/programs/DAT\\_intro.shtml](http://www.umanitoba.ca/colleges/st_johns/programs/DAT_intro.shtml)
4. The Dean of Theology presented a paper at the *Sixteenth Century Studies Conference* held in Salt Lake City in October. His chapter contribution to the new E. J. Brill volume titled *A Companion to Richard Hooker* will be published in 2007. He also published a paper in the journal *Perichoresis*.
5. The proceedings from the third *Currents in Biblical and Theological Dialogue* conference were completed and sent for publication and will be available for distribution in early 2007.
6. Our cooperation with, and participation in, the Winnipeg Theological Cooperative (WTC) continues to be an important and fruitful academic stimulus. This provides a broader academic platform where the College can be active and involved in the wider theological community. We represent the Anglican Home College for students in the University of Winnipeg M.Div. programme which is accredited by the Association of Theological Schools (ATS). The cluster of institutions in the WTC which support the M.Div. (and other programmes) is currently working towards its collective ATS accreditation.

The Institute for Anglican Ministry is a vital part of the Faculty of Theology. It is the primary educational resource for in-parish Total Ministry initiatives in the Diocese of Rupert's Land. The Director's report is found in the following section.

### ***Institute for Anglican Ministry***

The complete IAM parish team formation curriculum is now available through a licensing system, which allows local communities to take charge of how they work through the material. One existing and one new training group are using this method, under the guidance of their ministry developers.

Two long-term diocesan projects, in which the Director of the Institute has been participating, came to a culmination this year. Implementation of the Diaconate Working Group's proposals means that candidates for ordination to the diaconate are coming forward, and the Locally-Affirmed Ordination task group (chaired by the Director) has also submitted recommendations to enable parishes to put forward members of their ministry support teams for ordination to the priesthood. It is exciting to see these developments, which reflect the commitment to Total Ministry shared by the college and diocese, and which will have a major impact on ministry training needs in future.

The networking dimension of our work continues, as the Institute, along with its diocesan and parish partners, comes to be seen as a resource centre for the church in relation to baptismal ministry development. In February the Director was a part of the Rupert's Land presentation at Living Stones, hosted for the first time in Winnipeg, and shared in hosting a gathering for Canadian members and observers. International contacts included a visit from an Australian ministry developer and on-going meetings with US partners. The Institute now has a presence on the Anglican Church of Canada's website as part of its "Nurturing Healthy Parishes" initiative.

## **8. College Events**

### **Art Exhibitions**

January 10-March 23, 2006: Ann Smith, "Dreaming of Birds". The exhibition of works in different media by Winnipeg artist Ann Smith was curated by Kathryn Carnegie, a student from the School of Art who worked on the College's art collection in 2005-06 thanks to funding from the University's work-study program. A reception was held on February 9.

May 2-June 2, 2006: "Embroidered Visions in Thread and Mirrors: Creations of Tribal Women of Western India". Senior Fellow Brenda Cantelo (Religion) curated the exhibition of early twentieth-century and contemporary mirror-work embroideries from the collection of Rashmi Mehta of Winnipeg. An opening reception was held on May 2.

The receptions and exhibitions generated considerable media coverage, and were well attended by members of the College, University, and general public.

### **Marjorie Ward Lecture**

Award-winning writer Charlotte Gray delivered the 24<sup>th</sup> annual Marjorie Ward Lecture, "Talking to the Dead: The Art of Biography", on February 9, 2006 in the College Chapel. Dr Gray has contributed to Canada's major magazines and newspapers and frequently appears as a commentator on CBC radio and television. An Adjunct Research Professor in the Department of History at Carleton University, she was the 2003 Recipient of the Pierre Berton Award for distinguished achievement in popularizing Canadian history. The lecture was preceded by a dinner for College Fellows and Dr Gray. Afterwards, a reception was held in the Cross Common Room for all who had attended.

A Prairie Supper was organized on September 29, with Fellows Kent Fowler (Anthropology), Len Kuffert (History), and Peter Penner (Mathematics) speaking on the topic "Lost Humour of the Prairies".

The annual End-of-Term and Opening-of-Term Barbeques for students, Fellows, and staff were held in April and in September. Closing and opening-of-term receptions for Fellows and staff were also held in the Faculty Lounge.

A retirement party was held for Senior Fellow Kathryn Young (Coordinator, Canadian Studies Program) on April 12, 2006 to celebrate Dr Young's many contributions to the College and the University's Canadian Studies Program. Dr Young returned to St John's in September as a Retired Fellow to teach courses in History and Canadian Studies.

Opening of Term BBQ

Beginning in October 2006, the College and the Faculty of Music coordinated a series of weekly musical performances in the Daily Bread Café on Thursday evenings.

A party to celebrate the College's 140<sup>th</sup> anniversary was held on November 1, 2006 in conjunction with a book launch for Senior Fellow Jack Bumsted's history of the College, *St John's College: Faith and Education in Western Canada* (University of Manitoba Press). There was a strong turnout for the party, with dozens of College members and alumni, members of the University community, and local politicians filling the Cross Common Room. Guests enjoyed birthday cake while looking at a display of old College memorabilia, including a film about College life made by the CBC in 1963.

## **9. Chapel**

### **Leadership**

The Chapel Team included the following people: Dr Janet Hoskins, Incumbent; the Rev. Paul Lampman, Chaplain and Dean of Residence; the Rev. Dr John Stafford, Dean of Theology and Honorary Assistant; the Rev. Dr Iain Luke; Mr Michael Cutler, Chapel Musician and leader of the choir Holy Smoke; and Professor Charles Horton, Director of All the King's Men. Mr Stephen Fedus led Evening Prayer twice during the summer, and

Dr Elena Ivanitskaia was the Sacristan. Student volunteers helped to lead worship by reading the Scriptures, helping with Communion and leading the prayers of the people.

#### **The Choir *All the King's Men***

*All the King's Men* is a male-voice liturgical choir associated with our College Chapel of St John the Evangelist and also affiliated with the Royal School of Church Music. During the academic year (October-June), the choir sings at Evening Prayer (Choral Evensong at 7 p.m. on the first Sunday of each month). In addition, the choir sang at the Tenebrae service on the Wednesday in Holy week and an Ascension Day mass. All The King's Men have been to Evensong and other services (Eucharist, Compline and Mattins) at other churches locally and internationally. We have many committed members: Charles Horton, Director; Derek Oliver, Tour Manager; Simon Lenassi, Composer; Mark McLellan, Cantor; Hugo Hazendonk, Bruce Johnson, Thomas McKibbin, Paul Johnson, Wayne Thiessen; Treasurer, Dave Unger, Julian Vanderput, Willem de Bakker, David Punter, Bob Dueck, Allan Siebert, Steve Thiessen, John Wortley, Neil Arnason, Milton Friesen, Alan Pollard, Allan Silk, and Bill Stewart.

#### **The Choral Group *Holy Smoke***

The music group which leads the regular Sunday 4 p.m. service is called *Holy Smoke*. A gifted organist and pianist, Michael Cutler has been our Chapel Musician for a number of years. Stephanie Lambert plays the saxophone, sings and often leads the Psalm. Elizabeth Holding plays the French Horn and sings. We were joined this year by Amanda Dawe, a voice major from the Faculty of Music, who has also sung for us at memorial services.

#### **Chapel Worship**

The pattern of weekday worship times was 9 a.m. and 12 p.m. Monday through Thursday. We tried having mid-day prayers at 11:45 but decided that the noon time worked best. Sunday worship times were at 4 p.m. with a 7 p.m. Choral Evensong on the 1<sup>st</sup> Sunday of the month. Holy Week services were Tenebrae on the Wednesday, Institution of the Lord's Supper on Maundy Thursday, Celebration of the Lord's Passion on Good Friday and a joint Easter celebration at St Paul's Church with the Church of the Good Shepherd on Holy Saturday. There was also a joint Advent Service with these Anglican Churches. We also had a number of ecumenical services with the U of M Chaplains' Association.

#### **Marriages**

There were five weddings this year. The happy couples are: Steven Giordino and Sarah Bell; Christopher Ferris and Haifeng Chen; Prof. Struan Sinclair and Victoria Newell; Michael Lea and Maria Stapleton; and Brian Urhich and Heather Lawrence.

#### **Funerals and Memorial Services**

Memorial Services were held in the Chapel for the following people: College Fellow Lawrence Ritchey, Dr. George Porozny of the Faculty of Education, and Dr Robert Sloan.

#### **Summer Session 2006**

The chapel community continued to worship through the summer, ministering to summer students. Special thanks to the Rev. Dr John Stafford and Mr Stephen Fedus for their help while the Chaplain was on holidays. We are the only chapel on campus to remain open and offer church services all summer long.

#### **Christian Education**

A study group met on Wednesdays to read Ched Myers, *Who Will Roll Away the Stone? : Discipleship Queries for First World Christians*. Each chapter begins with a short Bible Study and we discuss the book, and share in prayer and community. There was a weekly

Bible Study in the Chaplain's office and a weekly Guided Meditation offered in the Chapel.

**Outreach**

College Staff and students, the Chapel community and a local parish contributed to the U of M Food Bank, and the College prepared Christmas hampers for university students in financial need.

Closer ties were made with musical groups, including Camerata Nova and the Chamber Orchestra at St John's College, led by Blakeman Welch. Students and staff benefited from the concerts throughout the year. The Chamber Orchestra named the Chaplain as their Honorary President. Two benefit concerts, one for the Red Cross Tsunami relief and a Leukemia Benefit Concert, were given by the Chamber Orchestra. There were several Memorial Services for University Staff, a College Fellow, and friends of Fellows. The Chapel is a quiet space on campus, where students and staff come to read, meditate and pray.

**Ecumenical Initiatives**

The Student Christian Movement led Monday mid-day prayers with music and prayers for peace. The U of M Chaplains met to discuss projects and activities, including joint prayer services, the Chaplains' Bagel Break and PB&J (sandwiches for local food banks). There was Prayer for Christian Unity on World Prayer Day and an ecumenical Thanksgiving Service, held at St Paul's Chapel, and the Advent Lessons and Carol service is held at St John's in early December each year.

**11. College Library**

**Improvements in Service to Patrons**

This report will discuss St John's College Library highlights for 2006 under the following headings: **Service to Patrons, Collections, Statistics and Miscellaneous.**

**A. Service to Patrons**

The Library added a sixth public computer workstation in early 2006. The public workstations provide our clientele with access to the Libraries' catalogue, databases, and a rapidly growing collection of electronic journals and electronic books. (The University of Manitoba Libraries now receive more than 25,000 journals in electronic form.) These workstations are also equipped with the Microsoft Office software suite and provide a gateway to the worldwide web for our patrons who are members of the University of Manitoba community.

A high quality scanner has been purchased for the College Library and is awaiting installation in a public area. Equipment of this type should prove invaluable for the ever-increasing numbers of students wishing to include photographic and graphic images in their submissions to instructors.

**B. Collections**

A large percentage of the St. John's College collection resides offsite in a closed stack area in the University's Engineering Building. There are plans to move this portion of the collection to a new storage facility adjacent to the rear of the Elizabeth Dafoe Library. Construction of the new facility is to take place in 2007. In preparation for the eventual movement of the College Library's offsite collection, an inventory was conducted in early 2006 of all journal titles in the collection. Thus appropriate space can be set aside in the new storage building for at least this portion of the offsite collection.

To ensure that the most appropriate materials are added to the Library's collections, it is necessary for Library staff to remain aware of new publications in the subject areas for which the Library is responsible. To that end, the Library has entered into an agreement with a major book vendor by which the vendor will keep the Library informed of new books published in the fields of Biblical studies, Christian theology, Anglicanism, and practical theology.

**C. Statistics**

Library use statistics for 2006 and 2005 are as shown in the following table.

	Number of Library Entries	Number of Items Loaned
2005	85,284	9,134
2006	87,480	8,570

**D. Miscellaneous**

Amrit Chhina, the Library's erstwhile webmaster, has converted the format of Library web pages from Dreamweaver to the University's new standard, Red Dot. The look of the pages has not been affected, and they are now easier to augment and modify in that they can be worked on in an online mode.

In mid-2006, Library staff was required to adapt to, and master, a greatly modified circulation system. Modifications affected many patrons as well, as the Libraries created new passwords for a high percentage of our users. The adoption of a new password regime caused problems for many users, and increased the workload of circulation staff called upon to assist in solving the problems.

**12. Financial Overview** By all accounts 2006 was a successful financial year. We ended our 2005-2006 fiscal year by meeting our budget targets and tightening some of our accounting procedures, specifically developing a practice to more accurately accrue our payroll costs at year end. Previously, a year-end payroll that was paid out on, for example, April 4<sup>th</sup>, would be recorded entirely in the new year because of the date of the actual transaction, despite the fact that the payroll referred to a number of days in the previous year. Although we were still recording 26 pay periods per year, the actual days of salary costs varied. In 2005-2006, the actual days attributed to March in the year-end payroll were accrued and recorded. In order to do this without skewing the current year accumulated surplus, the opening balance of the previous year was re-stated by the amount of the year-end payroll from 2004-2005.

The 2006-2007 fiscal year began with a very successful conference season, which gave us a good starting point for the year, and that continued to the end of the calendar year. Although we had some empty rooms in the Residence, we are optimistic about finding replacements for them in the second term. Also, café sales were up over last year's figures and Food Services in general is very busy. This is due in part to the addition of free wireless internet access for our customers, and also of a new ATM machine located outside the café in the tunnel.

**13. Development** The 2006 year will rank as one of the best years so far for Development. The total funds donated for the year are \$454,500. This breaks down as follows:

Annual Giving, for College operations in the subsequent year	\$2,300
Capital Campaign	\$301,800
Estate & In-Kind Gifts*	\$19,400
St John's College, including designated funds for immediate use	\$131,000

\*Some Estate gifts are listed in another category if specifically designated.

In addition, \$759,000 was pledged during the 2006 year, of which \$624,800 is still to be collected. Thus, the total of funds donated and pledges received in 2006 (that are still outstanding) is \$1,079,300. Almost half of this amount came from the pledge of the lead

gift for the Capital Campaign of \$500,000, with a further \$250,000 committed by the University of Manitoba to that campaign.

There is an additional amount of \$663,200 in outstanding pledges that were made in other years (which includes, for example, the known values of life insurance policies owned by the College). This amount does not include an expected estate gift of \$165,000 which will add to the endowment of an already established bursary. (The bulk of this gift should be received in 2007.)

**(a) Capital Campaign:**

A celebration was held on May 12 announcing the lead gift of \$500,000 to the Capital Campaign by Bob Schultz. With that donation, College Council has decided to name the building the *Robert B. Schultz Lecture Theatre*. Funds donated and pledged to date, including 'Unrestricted' (that is, not designated) funds now total \$2.1 million. This total is well past the goals set for the building.

In November 2006, College Council approved the motion to proceed to call for tenders in 2007 for the new Lecture Theatre. It is expected that the theatre will be built in three phases, with the first phase starting in 2007. As many people know, construction costs in Western Canada have skyrocketed. Prior to 2006, we felt we were raising money ahead of the construction inflationary rate. In 2006, in spite of a good fundraising year, this situation reversed itself and the College needs to raise more funds for the Schultz theatre in order to complete all the phases.

John Deacon '63 (Campaign chair), Peter Kains '62, Vancouver, and Rob Richards '65, Toronto, all continue to play key roles as volunteers in this campaign. The campaign remains in search of Leadership gifts (\$25,000+) as well as overall support for the Lecture Theatre.

The following pledges to the Lecture Theatre were confirmed in 2006: \$500,000 from Robert B. Schultz; \$100,000 from Mike and Joan Bancroft; and private donations of \$35,000, two of \$25,000 each, and one of \$20,000.

With the elimination of Capital Gains tax on donations of stocks and securities to charitable organizations, donations of stock have increased dramatically in 2006. These gifts are processed through the University's broker. A new policy for the receiving, processing and receipting of these gifts started January 1, 2007 which will base the receipt amount on the value of the sold securities.

Grassroots support from our alumni and friends continues to be strong. We have sold 115 'named' Bricks for \$300 each (or \$150 each for College graduates within the last five years). In addition to that, Council agreed that we could 'name' Seats in the newly refurbished Room 118 for \$500 each, and that all donated proceeds from room 118 would go to the new Robert B. Schultz Lecture Theatre. At the end of 2006, we had sold 24 of the 111 seats available in Room 118. Council also approved the seeking of a sponsorship gift for that lecture theatre.

**(b) Highlights of the Year:**

- Two key dinners with alumni and friends were held in 2006, one in January in Toronto and the second in May in Winnipeg. The purpose was to gather people to tell them about the Capital campaign and at the same time have them hear a guest speaker. Geoff Norquay '67, former Communications Director for Stephen Harper, spoke on both occasions. In January, he gave us his predictions just before the

election that was held the following week, and then in May he commented on the first 100 days in office, the Budget and the Liberal leadership race.

- At the May Dinner, the College paid tribute to: William Palk for his work with St John's in the 1950's and 1960's; and, to the Tuckwell family and in particular to Hugh and Jeanne Tuckwell for their work on College Council, in Residence and in recruiting in Barbados.
- The Warden and Development Officer took part once again in alumni receptions organized by the University of Manitoba. In 2006, these were held in March in Calgary and Edmonton; in April in Vancouver and Victoria, and in November in Toronto. These receptions are cost-efficient ways of enhancing relationships with our alumni and friends and invariably we meet someone who has an association with the College and would like to be on our mailing list. Several individual visits are also scheduled at the same time. We also arranged to hold a small reception with alumni and friends in Saskatoon prior to going on to Calgary in March.
- Gifts to the College from people's estates are becoming more popular. Currently there are 61 planned gift 'expectancies' of those who have told us of their plans to leave the College a bequest, insurance policy or RRSP. In addition, we continue to receive the funds from previous commitments that were listed as expectancies. Two large estate gifts have been received or are expected: (\$50,000 of an expected \$64,000) gift from the Michael Ewanchuk estate, which will go to the Ewanchuk Bursary; and an estimated \$165,000 gift from the estate of Merv Conlin, to go to the Conlin Bursary. A study completed in the summer examined estate gifts received since 1990. It showed that there are usually two or three estate gifts per year to the College. While the size of the gift is most often in the range of \$5,000, these amounts have been increasing recently (as witnessed above).
- The Development Officer attended Scholarship Committee meetings occasionally, providing background information on the donor's intent with regard to new awards or revisions to existing awards.
- A new theology award is being established in honour of the late Maurice Poole '42. In the past eight years, the College has received over \$260,000 from the *Manitoba Scholarship and Bursary Initiative* (MSBI) which continues matching funds of \$30,000 each year (as long as the program exists).
- This year the College sent out Trust Endowment reports to donors and key family members of trusts that St John's holds and administers. Most of these trusts are endowments for College awards. The reports outlined the funds at the beginning of the fiscal year April 1, 2005, financial activity during the next 12 months and the funds at the end of March 31, 2006. We hope to send these reports out annually.
- The *In Lumine* newsletter published two issues in 2006, of 24 and 26 pages each, with the latter including a two-page full-colour addition about the *Robert B. Schultz Lecture Theatre*.

- We were pleased that Johnians Michael Bancroft (Doctor of Canon Law) and Peter Flynn '65 (Doctor of Divinity) were honoured at the 140<sup>th</sup> annual St John's Convocation. Earlier that week on November 1 the College celebrated its 140<sup>th</sup> birthday with the launch of Professor Jack Bumsted's new history, *St John's College: Faith and Education in Western Canada* (University of Manitoba Press).

140<sup>th</sup> Birthday and Book Launch L – R: Dr Hoskins, Warden & Vice Chancellor; Dr Szathmáry, U of M President; Dr Bumsted, College Fellow and Author; and the Hon. Steve Ashton Minister of Water Stewardship.

- The *Friends of St John's College* executive met at its Annual General Meeting in April. Ted Poulter '58 continues as President but has given notice that he plans to 'retire'. The Friends lunch at Convocation is an annual sellout of 120 people. Kaye Dunlop '79 was reappointed to Council as a Friends Representative (selected from amongst the graduates of the College, former members of the College and members of the community who support the College) for a three-year term ending in 2009.
- Our Phone Centre had a very good year, led by Tolu Sodeyi as Supervisor. Paid student callers phone our alumni and friends in October and November each year as a follow-up to the annual September mailing. The high number of Bricks and Seats sold to date is mainly due to their efforts.
- The Development Committee met twice, in May and October. The main focus of discussion this year continued to be the fundraising for the Schultz Lecture Theatre Capital Campaign. Committee members are: Louise Carson '70, chair, Alice Cheatley '64, Jim Ripley '76, Bernie Beare '57, John Deacon '63, Kaye Dunlop '79, Fellow Francis Carroll, Fellow Anthony Waterman '62, Janet Hoskins, and Derek McLean.
- The College gained viewing access to the University of Manitoba Development Department's fundraising software '*Raiser's Edge*'. This has proved to be worthwhile and wider viewing access will be sought for other College staff. A decision on updating the College's own fundraising software is not needed until 2008 at the earliest.
- Staff support continues to be provided by Development Officer Derek McLean and Maureen Kolodie, Assistant to the Development Officer. Kristin Bryce was hired as a summer assistant updating files. Temporary Development Clerk, Angela Bluhm's duties have been expanded and she was hired to oversee the stages of production of the named plaques on the Seats and Bricks in the Lecture Theatres. Maureen also organized several student volunteers to help out in the fall.
- Thanks to a grant from Manitoba Culture and Heritage, the list of the sections of our College archives has been digitized and can be found at:  
[www.umanitoba.ca/libraries/units/archives/collections/complege\\_holdings/rad/ua/sjc.shtml](http://www.umanitoba.ca/libraries/units/archives/collections/complege_holdings/rad/ua/sjc.shtml)

- Other brief highlights: several more pieces of art were received this year as donations; the Development Officer gave a presentation at a Calgary conference of fundraising professionals in April; and many of our alumni and friends participated once again in Campus Beautification Day in May.

We appreciate all the support of our donors and friends. Thank you.
