# St John's College Residence Handbook 2011-2012

## Welcome to St John's!

We believe that our Residence brings something unique to the world of campus housing. As a small residence, St John's fosters real community and real social interaction: it's small, but not too small. Our community enjoys a varied and active social life, yet also values and supports academic excellence. The College support and administrative staff are friendly and available, and our facility, though simple, is well-equipped and comfortable. We are sure that you will soon find yourself at home here.

## People to Know

### The Residence Leadership Team

This team is made up of the Dean of Residence, the Residence Dons, the Co-Presidents of the Residence Students' Association, and the International Students Representative. As the name implies, the Rez Leadership Team provides leadership and guidance for the residence, promotes community life and helps to make the residence a great place to live and study.

### The Dean of Residence

The Dean is responsible for the overall operation of Residence, including admissions and recruitment, discipline, the oversight of Residence programming, and the supervision of Residence staff. The Dean works in conjunction with the Bursar in areas related to physical maintenance, housekeeping, food services, and finances.

### The Dons of Residence

The four Dons are full-time students employed by the College to provide leadership, supervision, and direction in the day-to-day life of the Residence. Under the direction of a Senior Don, and in close collaboration with the Dean, the Dons of Residence serve to enforce Residence policies, provide counsel and support, offer relevant student programming, and trouble-shoot in a wide variety of areas. A Don is on duty each weekday from 4:30 p.m. until 8:30 a.m. the following morning. On weekends, a Don is on duty from 4:30 p.m. Friday until 8:30 a.m. the following Monday. To contact the Don on duty, call the **Dons' Cell Phone: 291-5687 (291-LOVR)**.

### Residence Council Co-Presidents

A team of Co-Presidents is elected each spring to serve the Residence community for the following year. While not formally College *staff*, they do play a key role in the running of Residence life. Along with the Dean and Dons of Residence, the Co-Presidents serve on the Residence Leadership Team, which meets weekly to plan programming, make policy recommendations, troubleshoot problems, and consider disciplinary issues. The Co-Presidents play an active role in the Residence Disciplinary Procedures.

### Residence Council

The Co-Presidents do not work in a vacuum! The Director of Communications, Program Directors, the Director of Finance, Council Chair, Hall Representatives, and Co-Yearbook Editor all play key roles in the life of our Residence. Some Council positions are reserved for Returning Residents, many are open to New Residents, so please consider becoming involved.

### International Student Representative

The International Student Representative is a volunteer who serves international students by planning social activities, helping students to be aware of University resources and programs, generally being present and available for students and the ISR is a member of the Residence Leadership Team.

## Settling In

### JumpStart College Orientation

If you're new to the College and the U of M, we encourage you to take part in JumpStart, the College's 24-hour orientation for new members. JumpStart takes place on the Thursday and Friday before the Labour Day weekend each year. New Residents and Day Students will spend a night in Residence, get to know the College, and meet other new students along with some seasoned College veterans before classes start. Students coming to JumpStart from 200 km miles away or further may move into Residence on the Wednesday (Aug. 31), between noon and 9:00 p.m. Residence Students can stay on in Residence after JumpStart ends.

If you are registered as a College member, you will receive information on JumpStart in the mail. Otherwise, you can contact the General Office for more information.

### Moving In

Move-in day is Saturday September 3, 2011, between 9:00 a.m. and 8:00 p.m. This is the Saturday of the Labour Day weekend. On move-in day, you should go the main Residence entrance on the north side of the building. See the map on the U of M website for details. You can park temporarily in the loading zone or in one of the metered parking spots in A Lot to the east of the Residence, where parking is free on weekends and holidays. From the phone inside the main entrance, call the Dons' cell phone number 291-5687, and one of the Dons of Residence will meet you and check you into your room. You will need to provide the name of your emergency contact person to the Don at that time and this will remain on file. Once you have been checked in, you can start moving into your room and unpacking.

**Please let the Dean of Residence know if you need to move in on a different date.**

### Important Things to Know for Your First Night in Residence

Phone your family and let them know you arrived safely! Payphones are located in the tunnel in the College basement. Meet your neighbours: you never know when you'll need to borrow laundry soap, ask them to turn down their stereo, or share a pizza on your first evening in Residence.

### First Week Activities

Activities begin on move-in day, and run for the duration of the week. It's an excellent opportunity to make connections with the people you'll be living with for the coming year, and should not be missed!

# St John's College Residence Handbook 2011-2012

## Residence Fees

By the time you have moved in, you will already have paid the \$1,000 non-refundable room deposit, half of which is applied to each term. The balance of your first-term fees is due in early September and the balance of your second-term fees is due in early January. This is detailed on page six of the Residence Acceptance Contract.

## Insurance

You are solely responsible for providing insurance coverage for your personal property during the period of occupancy. Depending on your situation, you may still be covered under your family's home insurance policy. If you are not so covered, you are advised to arrange for a *tenant's package* through an insurance agent.

## Parking

Residence parking spots are located on the east side of Residence. All campus parking is controlled by the University's Parking Services, Welcome Centre, 423 University Crescent (474-9483). Yearly passes go on sale over the telephone registration system starting in June – refer to the U of M Registration Guide for instructions. If you've registered for a pass, you can usually pick it up from the General Office when you move in. For a temporary pass, visit Parking Services in person. Parking at the meters and ticket-dispenser spots on campus is free on evenings and weekends (check the signs first!), but is never free in the Residence lot.

## Residence Facilities

### Your Room

St John's College has 95 single-occupancy Residence rooms on three floors, and three self-contained suites. Each single room is furnished and carpeted, and measures 8' x 14' (about 112 sq ft). Each single room contains:

- a single bed
- 2 blankets
- a desk
- a desk chair
- an armchair
- moveable shelves
- closet with shelves
- storage cupboard and drawers under bed
- a mirror
- a bulletin board
- a telephone jack
- a cable jack

### Keys

You will be issued one key for the Residence entrances and one for your own room. You may not duplicate your keys or loan them. If you get locked out of your room, contact the Don on duty or the Receptionist for a pass-key. If you lose your keys, you will be issued a temporary set for a week. If your keys do not resurface during that week, your lock will be changed at your expense, and you will be charged for the lock change and new keys (about \$100).

### Washrooms

Single-sex washrooms are located in each hallway and have sinks, toilets, bathtubs, and showers.

### Telephone Service

Telephone jacks are installed in each room. You can set up phone service with MTS, either at the campus phone centre in the first week of classes, or at an MTS location (St Vital Mall is the closest). If you have your own phone, you can call MTS (225-5687) to set up phone service. You will need to know your room number and address, and have two pieces of ID. Payment for telephone service is your responsibility, and the College will not cover any outstanding charges.

# St John's College Residence Handbook 2011-2012

## Free Internet Service Provided by St. John's

If you have wireless capability and a laptop computer, you can access the internet free of charge by going to one of the three common rooms where the wireless network is located. You might be able to access it from your room, but we cannot guarantee this. There is a wireless network in the College as well, accessed from the Daily Bread Café. This works in the Cloister and the area outside the restaurant as well. As of September 2011, UofM wireless service will be available in the college proper.

We are in the midst of installing residence-wide wireless, which will be available for a very small fee for basic Internet service (email, registering for courses, etc). We have hit an unfortunate snag in its implementation, however, so it will likely not be available for September.

## Pay for High Speed Internet Service

Your room is wired for high speed internet, which is available from MTS. It is your responsibility to pay for this extra service. Land line modem connections are available through your MTS telephone. Please contact: MTS (204) 225-5687 and on the web at: [www.mts.ca](http://www.mts.ca) and

## Refrigerators

Residents may rent or bring a small room fridge. The rental cost is \$20 per month during the academic year, for a total of \$160 (plus a \$20 deposit which will be refunded if your fridge is clean and undamaged at the end of the year). Please see the Receptionist if you would like information about renting a fridge.

## Laundry Room

A card operated laundry is located on the lower floor of Residence. Laundry credit cards may be purchased General Office. There is a \$10 deposit.

### Services

#### Meals

Meals are served in the Residence Dining Room on the lower floor. We offer breakfast, lunch, and supper every week day (except weekends and statutory holidays, when there is a brunch and supper menu), and a complimentary snack on Sunday night and at night during exam period. Meal times are posted on the bulletin board by the Food Services area. If you have to miss a meal due to class scheduling, you can order a bag lunch or saved supper in advance.

**Meals are not served during the Christmas vacation break. During the February Mid-Term break if you wish to be on a meal plan, you need to pay for this in advance.**

You cannot take food or dishes out of the Residence Dining Room and you do have to wear shoes or slippers in the Dining Room. There is a \$20 charge for taking food or dining hall related items from the food services area. If you wish to have a guest for a meal, you must purchase a meal ticket from the General Office during business hours or from the Don on duty on weekday evenings or on the weekend.

#### Mail

*Your name*  
St John's College Residence  
*Your Room Number* – 92 Dysart Road

#### Housekeeping

Housekeeping Staff will vacuum and empty garbage in individual rooms weekly, while hallways and bathrooms will be cleaned and attended to daily. The staff needs to clean your room every week to prevent cleaning problems from building up. Housekeeping-related concerns should be reported to the Housekeeping Staff or the Dean of Residence.

#### Maintenance and Repairs

If anything in Residence or the College needs repairs, do not do it yourself! Please submit a written request to a Residence Don in the General Office; Maintenance staff will take care of the problem for you.

## **St John's College Residence Handbook 2011-2012**

### **Building Security**

The Residence is locked at all times for the safety and security of all Residents. Only Residents and authorized staff have keys for the exterior locks. For everyone's safety, never prop doors open or lend non-Residents your key (these are violations of the Residence Contract). Do not give access to unidentified or unaccompanied individuals.

# St John's College Residence Handbook 2011-2012

## Policies and Procedures

This section gives a quick overview of important policies and procedures. Your Residence Contract provides more details.

### Smoking

The entire College, including the Residence, is a smoke-free facility. Use the designated smoking area outside the north entrance of the Residence. Smoking is not permitted within 8 metres (25 feet) of University building entrances.

### Alcohol Policy

In general terms, those who are of legal age to purchase and consume alcohol are entrusted with the responsibility for their own alcohol use. Under no circumstances are minors permitted to consume alcohol in Residence. Open liquor is not allowed in Residence outside of the individual rooms, which, under Manitoba liquor laws, are considered private apartments. If a student's use of alcohol appears to have become problematic, either for the student or for others in Residence, this will be addressed by the Dean of Residence.

### Damages

You are responsible for any damages to your room, except that which comes from normal wear and tear. At check-in time, a room inventory is done, listing among other things room condition. On move-out day, a similar inventory is done to assess damages.

### Noise

The Residence noise policy exists for the benefit of all Residents! During Study "Quiet" Hours listed below any noise you make should be kept inside your room (so your neighbour can not hear it), or within one of the common rooms. At all times, noise must be kept at a reasonable level. A fine of \$10 to \$25 can be levied at the Dean's discretion for repeated noise violations.

## Fire Alarms

By law, all students are required to participate in any fire alarm or drill. For your own safety, if you hear the alarm, then leave the building immediately. We meet in the Cloister, which is the area between the Chapel and the College buildings.

## Cooking in Residence

Cooking (kettles, popcorn poppers, microwaves, etc) is not permitted in individual rooms. "The Buttery" on the lower floor is a kitchen facility equipped with stove, microwave, fridges, and toaster, as well as drink dispensers. You must provide your own cookware and utensils. It is your responsibility to clean up after you use the kitchen.

## Bicycles in Residence

You can store your bicycle in your room, as long as it does not cause any housekeeping problems. There is a storage room in the College which you can use, depending on availability of space.

## Changing Rooms

Rooms are assigned before Residents arrive in September. Under normal circumstances, students do not change rooms during the course of the year. Any changes in rooms must be based on very serious considerations, and meet the approval of the Dean of Residence.

## Visitors

You are welcome to have visitors in Residence, but be advised that your visitor is *your* responsibility. Visiting hours are Sunday to Thursday: 8:00 a.m. to midnight; Friday and Saturday: 8:00 a.m. to 1:00 a.m. If you invite a guest to lunch, don't forget to buy a meal ticket!

## Overnight Guests

You are welcome to have an overnight guest, but you must sign in your guest with the Don on duty before the end of Visiting Hours, and you are considered responsible for your guest's behavior. If you wish to have an overnight guest for more than two consecutive nights, you must clear this with the Dean of Residence first. Long-term guests are not permitted.

## Disciplinary Procedures

The residence is an excellent living and learning environment, and the Residence Disciplinary Procedures ensure proper behavior among Residents and guests. This helps keep the residence a great place to live. These procedures ensure the physical safety and emotional well-being of the residents, as well as the protection of personal, College, and University property.

## Verbal Warnings

For minor and isolated infractions of the Contract where the Resident is deemed amenable to change, a Residence Don may issue a Verbal Warning, which is documented and reported to the Dean of Residence.

## Incident Reports

For more serious contract violations, the Don will complete an Incident Report. The report will be delivered to the Dean, and a copy will also be given to the student in question. The Dean may deal directly with the issue (e.g. a fine for noise violations), or may call a hearing of the Peer Review Board. Repeated Incident Reports, or reports detailing infractions of a particularly serious nature, will normally result in a Peer Review Hearing.

# St John's College Residence Handbook 2011-2012

## Peer Review Board

The Peer Review Board is chaired by a College Fellow (who does not have a vote in the process), and includes the Dons of Residence (excepting the Don who filed the Incident Report) and one of the Residence Council Co-Presidents. The decision of the Peer Review Board is considered binding, subject to an appeal based on a) procedural grounds or b) a claim that the sanction is inappropriate in relation to the infraction. Details of the Peer Review and Appeals processes are contained in the document *St John's College Residence Disciplinary Procedures*, which is available in the office of the Dean of Residence (211 in the College).

## Fines

The Dean of Residence is entrusted with the authority to levy fines for specific Contract violations:

- Noise infractions (non-residents will be told to leave): \$10 – \$25
- Lending room keys or willful misuse of key(s): \$50
- Propping open security doors: \$50
- Drinking in common areas (the Buttery, Games rooms, etc): \$75
- Taking food or drink or cups etc. out of the Dining Hall: \$20 for each infraction
- Posting of unapproved signs: \$30
- Failure to return key at year-end: \$100 + cost of re-keying
- Improper check out (or check in): \$50
- Discharging fire extinguisher, or tampering with other fire protection equipment: \$200  
Peer Review Board meeting and the incident is reported to the police
- Defacing walls, door jambs, doors, and other residence property: \$50
- Possession of Residence property in room (aside from room's furnishings): \$25
- Smoking or use of open flame in Residence (first offense): \$100;  
a second offense will result in a Peer Review meeting and expulsion from Residence.

## Dangerous Conduct – Summary Removal

Where the conduct or threatened conduct of a student is of such a character that, in the judgment of the Dean of Residence, it poses a threat to the safety of other Residents or to College property, the Dean of Residence may remove the student from Residence either indefinitely or until the threat no longer exists, notwithstanding an appeal.

## Moving Out

It is generally understood that students will move out of Residence within 24 hours of completion of all College and University obligations. Unless special arrangements have been made to stay for summer session with the Dean of Residence, you must be completely moved out of Residence within 24 hours of completing your final exam.

## Check-Out Procedure

Proper check-out involves telling the Dons ahead of time when you plan to leave, and having the Don on duty check you out of your room. Check-out procedure includes completing a Room Inventory/Condition card with a Don, turning in your room key, and filling out an address form for the College. When you leave, make sure your room is clean, any garbage put in the shack outside Residence, and furniture has been returned to its original position. If you rented a fridge, you should defrost it and arrange to have it removed. You must remove all belongings before check-out.

# St John's College Residence Handbook 2011-2012

## Summer Residence

Students may contact the Dean of Residence in the General Office for information about summer residency. If you want to reserve a room for the summer, apply early. We need to receive your application before we can reserve a room for you.

## St John's College Membership

Each Resident is required to become a member of St John's College. It is your responsibility to register using the University of Manitoba registration system (telephone or internet - see the U of M Registration Guide). If you have not yet registered as a College member by two weeks after you have moved into the residence, the College Registrar will add the SJC membership to your U of M registration. The membership fee will be added to your U of M tuition fees. Normally, this will be approximately \$10 per academic term.

## Getting Around Winnipeg

### Winnipeg Transit

Winnipeg Transit is a relatively easy way to get around. The main bus stops on campus are located across from Speechly-Taché Residence and at the corner of Dysart Road and University Crescent. Some important routes are:

- **60 Pembina** runs between the University and downtown
- **61 Pembina Super Express** follows the regular '60' route, but does not stop at all between campus and Osborne St.
- **75 Crosstown East** runs from the University to St Vital Shopping Centre to Kildonan Place and back.
- **62 Richmond "University/Downtown"** runs from the University, through Fort Richmond, then downtown.
- **78 Crosstown West** runs between the University and Polo Park on weekdays.
- **36 Northwest Super Express** from the University to the Maples takes you north with few stops. This is a direct route to Corydon Avenue at the western end of little Italy.

Regular fare is \$2.40 (exact change). You can buy a sheet of 10 tickets for \$21.00 or a weekly or monthly bus pass at a reduced rate. Tickets and student monthly passes are available at the Answers Booth in University Centre. When you pay your fare, ask for a transfer that lets you change buses without paying a second fare, as often as you want within an hour. If you know the 5-digit number for your stop (listed on the sign and in the Yellow Pages), you can call **Telebus (287-RIDE)** to find out when your bus will arrive. If you don't know the stop number, you can call Transit Information at **986-5700**, and tell them the location of the stop. Bus Schedules are also available on the Winnipeg Transit Website, [www.winnipegtransit.com](http://www.winnipegtransit.com).

### University Shuttle Bus Service

The University runs a free shuttle bus from the Fort Garry campus to the Bannatyne campus. For more information or schedules, go to the University's website, [www.umanitoba.ca](http://www.umanitoba.ca).

### Taxis

Taxis are fairly expensive (about \$20 from downtown to the University), but they do run at night. When you call for a taxi, give the dispatcher your name and the address where you are. The more accurate this information, the quicker you'll get home. Duffy's Taxi 775-0101, Unicity Taxi 925-3131
