+ A future graduate course offering schedule is posted on the faculty's website: http://wwwapps.cc.umanitoba.ca/faculties/education/grad/rotation/ . Advisors and students should plan column "Year to be taken" in conjunction with this schedule. This column is intended to assist program planning and does not guarantee a place in the course in that year. In unforeseen circumstances, the Faculty may need to modify this schedule. In such cases the advisor and student may need to change the program by completing a Program Add/Delete Approval Form.
