| Mailing Address (Institutional):  |                 |
| Signature of Referee:             | Date:           |

1. Please tell us what makes the applicant well-suited to completing a 3-month internship with Indigenous communities and organizations in Belize.

2. How does the applicant's experience, skills and background contribute to the goals of Engaging Indigenous Languages, Knowledges, Learning and the Land?

3. Recipients of a Queen Elizabeth II Diamond Jubilee Scholarship will be required to live and work in Belize during the scholarship period. What skills and attributes have you seen the applicant demonstrate that will assist him/her in an inter-cultural environment, where customs, norms, and practices may be very different than in Canada?
