2024 – 2025 Computer Engineering Course Flow Chart Entrepreneurship Focus Area – Model 4 Year Program

This flow chart is intended as a guide, and only applies for the current academic year. It should not be used as a guide for subsequent years. Errors may be present in this document. Students should refer to information in the Academic Calendar.

Computer Engineering Focus Areas

Students wishing to pursue more focused studies in a Computer Engineering subject/research area have the choice of doing so through a recognized Focus Area. Courses taken towards a Focus Area take the place of some of the Technical Electives required in the Computer Engineering program.

ENTREPRENEURSHIP FOCUS AREA

Requirements:

To complete the Entrepreneurship Focus the prescribed courses must be taken. Two (2) of the five Entrepreneurship Elective courses must also be taken. To complete the program requirements, two (2) additional courses must be selected from the elective courses listed in the Computer Engineering Standard Program.

Prescribed Entrepreneurship Courses (required)

MECH 3170 Project Management **ENTR 2020** Starting a New Business ¹

Entrepreneurship Elective Courses (2 required)

ENG 4110 Operational Excellence

ENTR 3060 Creativity and Entrepreneurial Thinking

ENTR 3070 Innovation Management

ENTR 3102 Technological Entrepreneurship

ENTR 4100 New Venture Analysis

1. In addition to satisfying focus area requirements. ENTR 2020 also meets the general program requirement for one complementary studies elective.
