

## Architectural Students

We have exciting four to eight-month work term opportunities starting in January 2011 for Architecture Students in the Vancouver, Calgary, Edmonton, and Toronto studios of **DIALOG**.

You love what you do, think creatively and critically, have an innate standard of excellence, and a sense of fun.

### We're looking for someone with:

- A working knowledge of AutoCAD Release 2007
- A working knowledge of graphic programmes such as Adobe Photoshop, Illustrator, Indesign, Sketch-up
- Skills in hand drawing, model building, and/or technical knowledge of building science are considered an asset.
- Previous work term experience is considered an asset.

**DIALOG** is a dynamic, firm of over 400 architects, engineers, interior designers and planners working across Canada from studios in Toronto, Calgary, Edmonton and Vancouver. Our culture is built on the passion of our people working together in an open, supportive studio environment focused on excellence in design and client service.

Our national studios have been the recipient of many awards including the Governor General's Medal in Architecture, the City of Calgary Mayor's Urban Design Award and the Prairie Design Award of Merit. We bring a sustainable design perspective to our work with our in house sustainable design team providing expertise on projects. We have nine LEED® certified projects and 37 projects currently registered for LEED® certification.

We thank all applicants for their interest; only those selected for an interview will be contacted.

Submit your resume in confidence to your studio of choice:
