Nadi Design
Design Intern
Closing Date: May 11

Opportunity:
We have a temporary (summer) position for a design intern as part of our multidisciplinary team environment. The individual will work under the direction of a Landscape Architect, must be a university/college level student (or have an undergraduate degree), must be able to work independently, must possess a valid driver’s license and have access to a personal vehicle.

Key Responsibilities
- Assisting landscape architects to complete onsite observations, document site conditions, observe construction progress, take site measurements, site photography, complete daily site logs.
- Prepare reports, minutes, or other various project deliverables.
- Provide support to the firm’s various projects and initiatives.
- The candidate should expect to work a minimum 3 days remotely onsite (within city limits) with 2 days in the office a week.

Requirements
- Completion or in the process of an undergraduate or graduate degree in landscape architecture
- Must possess a valid driver’s license and have access to a personal vehicle
- Proficiency in Vectorworks
- Proficiency in Adobe Creative Suite
- Knowledge in sketchup and or other 3d design software considered an asset
- Experience being on construction sites, specifically landscape construction would be considered an asset, but is not required.

How to Apply:
Please submit a resume and cover letter to Meaghan Hunter by email at meaghan@nadi.design. Portfolio is optional.
