T01  MWF  13:30-14:20  É.-M. Lassi

FRENCH PROGRAM

Beginners:
Students without Grade 12 French or without previous knowledge of the language should take FREN 1152 and 1154 (Introductory French). Please contact the Department if you need help deciding whether Introductory French is the correct level for you and if you should start with 1154 directly, especially if you have some French language experience.

Others:
Typically students with Grade 12 French register for FREN 1190 (Français) or FREN 1200 (French 1). The courses are quite similar but 1190 is taught entirely in French, whereas 1200 is taught in French and English, according to students’ needs.
The prerequisite for most second year courses is a grade of C or better in 1190 or C+ or better in 1200. The prerequisite for entrance to the Major or Minor is a grade of C or better in 1190 or 1200. In most cases, the prerequisite for third year courses is a grade of C or better in any second year course.
We offer Major, Minor, Advanced and Honours programs in French. The requirements for the Major and Minor are quite flexible, with each requiring at least one course in language and one course in literature at the second and third year levels.

The French Club - 106 Isbister

Whether you’re at a beginner, intermediate, or advanced level or are bilingual, you’re most welcome to visit the Club located in 106 Isbister.

With the help of volunteers, the French Club is open daily during the fall and winter terms and welcomes ALL students wishing to speak and improve their French.

It’s an opportunity to meet for a cup of tea or coffee, a game, or simply to chat in French. The Club also organizes various activities and events throughout the year.

Note: This is a preliminary timetable. Some courses may be changed or cancelled.
Consult Aurora Student on the UM Homepage for an updated list of courses.

For graduate course registration, please contact the Department.
