UNDERGRADUATE COURSES

LANGUAGE COURSES
The courses in language offered every year are: Introductory Ukrainian, Intermediate Ukrainian, Advanced Ukrainian 1 and Advanced Ukrainian 2

LITERATURE AND CULTURE COURSES
A selection of courses in culture and literature are offered every year. At the 2000 level and mostly at 3000 level, these courses have no language prerequisites and the language of instruction is English. The following courses have been taught in recent years: Exploring Ukrainian Literature; Ukrainian Culture Until 1900; Ukrainian Literature and Film; Ukrainian Myths, Rites and Rituals; Holodomor and Holocaust in Ukrainian Literature and Culture; Ukrainian Canadian Cultural Experience; Shevchenko.

CAREERS
The study of languages and literatures provides training for a wide range of professions that require skills in communication, interpretation and research. A first-hand understanding of an area and fluency in one of its languages often opens the door to careers in translation, journalism, teaching, politics, commerce or travel.

Our graduates have found jobs in the diplomatic field, media, publishing and editing, cultural agencies, business, and bilingual education.

A number of students have completed the MA program in Slavic and have then entered PhD programs at other universities.

STUDY UKRAINIAN ABROAD
In past years, students from our programs have spent part or all of an academic year in Ukraine.

The Department offers summer language seminars in Kyiv. Students can take courses in the languages, literatures and cultures that can be credited towards a degree. It is also possible to spend one or two semesters in Ukraine taking courses towards a degree in either Kyiv or Lviv.

Preference is given to major or minor students. Students are also eligible for university fellowships and national awards.

The Department also offers several awards and scholarships to support incoming and ongoing graduate students.

STUDENT CLUBS
The Ukrainian Students Union at the University of Manitoba (USUUUM) organizes different activities such as socials, performances, movie festivals, fundraising campaigns, and conferences in collaboration with the Ukrainian community.
