Polish Culture until 1918 (3)

POL 2600 MWF (Fall) 1:30pm—2:20pm
English writing requirement (W).

There are no prerequisites for this course.

Polish Minor requirement.

An introductory survey from the beginnings of the Polish state to 1918. This is a lecture style course devoted to studying the achievements of Polish culture and their impact on world culture. Students will observe the creation of Polish national identity through the examination of documents from literature and culture.

Lectures and readings in English.
