

Students who wish to appeal a grade given for term work must do so within 10 working days after the grade for the term work has been made available to them. Uncollected term work will become the property of the Faculty of Arts and will be subject to confidential destruction

Late assignments will be penalized at the rate of 1% per day unless you have negotiated extra time with me beforehand. Extensions will be given only in cases of serious illness or emergency. **No assignments will be accepted after the last class of term.**

### **Plagiarism and Cheating**

The work you submit for grading must be your own original work, prepared independently and not previously submitted for another course. University regulations provide severe penalties for academic dishonesty, in the form of plagiarism, cheating, exam personation, or duplicate submission. The Faculty of Arts' Academic Integrity policy may be found at

[http://umanitoba.ca/faculties/arts/student\\_resources/student\\_responsibilities.html](http://umanitoba.ca/faculties/arts/student_resources/student_responsibilities.html) It reads in part:

“The common penalty in Arts for plagiarism on a written assignment is a grade of F on the paper and a final grade of F (DISC) (for disciplinary action) for the course. For the most serious acts of plagiarism, such as purchase of an essay and repeat violations, this penalty can also include suspension for a period of up to five (5) years from registration in courses taught in a particular department/program in Arts or from all courses taught in this Faculty. The Faculty also reserves the right to submit student work that is suspected of being plagiarized to Internet sites designed to detect plagiarism or to other experts for authentication.”
